

Jr Cougar Football - Player Safety Information

Player Name:

Player Grade:

Allergies:

Current Medications:

Asthma:

Inhalers Needed*:

*If an inhaler is needed, one should be provided to the safety coach to have on hand during practices and games

Important information Safety Coach should know if treating your child:

My child IS allowed to have (CIRCLE CORRECT RESPONSE FOR YOUR CHILD)

Hydration Packets YES NO

Ointments/Creams for treatments YES NO

Over the counter medication such as Tylenol or Motrin YES NO

_____, the parent(s) of _____, is/are allowing the Jr Cougar Safety Coach to administer treatment to my child at Jr Cougar events.

OR

My player, _____ is NOT to be treated by the Jr. Cougar Safety Coach. In any event, the parent/guardian will be contacted immediately. Child will be made as comfortable as possible until the parent/guardian arrives.

Should a child need urgent treatment, a parent/guardian will be contacted, and transportation instructions will be confirmed by the Safety Coach and one other Jr Cougar Coach/Board member. Should my child need emergency treatment, they are to be transferred via ambulance to the nearest Hospital. Should no parent/guardian be available, the Jr Cougar Program will make a decision in the best interest of the child.
