

# Minibeasts

## Home Learning Challenges

There are some butterflies fluttering around the page. How many can you count? Can you tell a grown-up how many you found? Maybe you could show them on your fingers?

Try making a minibeast model! You could use playdough or empty cardboard boxes and tubes. Empty yoghurt pots or plastic bottles could also be used. Maybe you could make a butterfly, a worm, a ladybird or a spider.

Practise singing the rhyme, 'Incy Wincy Spider'. Can you make up some actions to go with the words?

Take a walk around a garden, park or outside area. What minibeasts can you find? Try looking under plant pots or stones, looking on leaves or bushes or around some plants and flowers. You could draw a picture or take a photo of any minibeast you find.
