CAREER OBJECTIVE

I aspire to build a career in swine production while advocating for agricultural policy that supports farmers and the industry.

SAE EXPERIENCE

Market Swine Projects | 2023-2026

Managed daily care and records for a market swine project focused on livestock production.

- Daily care, feeding, and conditioning of swine
- Maintained detailed health and growth records
- Ensured optimal living conditions and nutrition for livestock
- Developed strong animal care skills through hands-on experience

Horticulture Production | 2024- 2026

- Managed plant care in a greenhouse setting
- Assisted in horticultural projects with an emphasis on sustainability
- Gained knowledge in production techniques and plant health
