**K-12 NY State Sex Ed Curriculum Presentation**

The Father's Heart

**From:** Tioga Patriot - Patty Miller

**Re:** School Sex-Ed Curriculum Presentation

**Date:** Thursday July 14<sup>th</sup> - 6pm

**Location:** Our Father's Heart Church – Vestal

**About:** Did you know NYS is ready to pass a bill to bring in Sex-ed K-12 and everyone should be aware of what that includes! So, I've connected with a researcher on the NYS Sex-Ed Curriculum, K-12 and was able to have her come and do a presentation for us.

Many of you know my concerns with the direction of our education system, I've been going to school board meetings, along with a couple others that share concerns also, and met with total rejection by our members and school admin. I won't back down! Informing the community of what is going on is an important step towards stopping this.

Please support this event and share with other concerned Parents & community members. Our children need our support. Pray for our kids and schools and teachers who are being silenced if they don't agree with the indoctrination coming. God protect our schools and our children from evil!

*PM me with any questions. God Bless!*
