

Director's Corner

Hi Gang,

Summertime is past and gone. Seems like it just arrived. As you can see from this issue, we had some good rides and fun was had by almost all. Some of us had some health problems and battles as well. As a group, we stuck together and helped each other when needed.

Our biggest helper, Keith W, has had a hard few months and is mending as I write this. Hopefully he's on his way to a full recovery. I am proud to be part of this group. Let's all keep fighting the good fight!

The fall season offers us some beautiful scenery and cooler temperatures. Make sure you read Robert G's article so you'll be prepared for all the changes.

We have added 3 more couples to our Marietta Campout this year and more to come. I can see more camping and riding events in our future! See you down the road!

Your Director,

Ron Good
