Director's Corner

Happy Fall to one and all,

It has been quite the busy year for Chapter T. I didn't have enough pages to show all that we've done in 2026 but I did my best.

Many of us were on the road for 2 straight weeks of riding and camping and a few of us even traveled overseas to ride.

We had some great Mystery Rides, dinner rides, our Ozzie Memorial Ride, and the first ever Eagle Wings Rendezvous in Ohio too.

For something different, we had a wonderful day at Holiday Lake with swimming, a pontoon ride, and a sightseeing tour in Cherryhair's custom golf cart.

Some of our group have also been doing weekly hikes and so far have walked every step from Massillon to Lake Erie and hope to make it to New Philadelphia by year's end.

It will be hard to top our level of activity in 2027 but I have a feeling we might do just that. Not bad for a group that is a bit on the older side of the spectrum. We accomplished quite a bit in between major and minor surgeries and other setbacks.

As your Director, I thank each and every one of our members for their support. I believe we have the most active participation of any Ohio chapter and we should be proud.

See you down the road!

Your Director,

Ron Good
