

Director's Corner

Hi Gang,

Happy Spring!

Almost time to ride, but before you do, make sure you read Robert's Safe Travels column to make sure you're ready. Also, don't miss our new column, "Gordo's Inspirations"!

Cabin Fever was a hoot as always. You might see from the pictures that some of

our district team embraced their feminine side. Anything goes at a pajama party!

We have 2 game nights in the bag already and Marilyn and I are hosting the last one in our new home on March 29th. Thanks to all our Chapter T friends who helped with our move. You guys are awesome.

Our Dinner Rides begin in April and we have some new restaurants on the list to enjoy.

All the Mystery Ride slots are already filled by our members and we have a few surprises planned for Saturday rides as well.

We hope to get to the Michiana Rally-In as well as the West Virginia Rally too.

Mike and Andie are planning to host our Chili Bash again this year and our Sternwheel Campout in September keeps getting bigger and better.

Many of us are already planning for Buckeye Rally and Marilyn just booked our Christmas Party! Sooo, get your motors running!

Your Director,

Ron Good
