

Gordo's Inspirations

Summer 2026

Dinner Ride to Papa Bear's

Hey Gang,

Hope you are all having a nice summer. I'm going to give you a couple quotes this time since they are short!

Here you go:

"Don't fear dying, fear not living. Let's Ride!!"

and since we just returned from our trip,

"Every motorcycle ride is a tiny vacation!"

See you soon,

Gordon Costlow
