

Director's Corner

Greetings to one and all,

Much has happened since my Spring column. My wife Marilyn had spinal fusion surgery and a corneal replacement in both eyes. She had top notch surgeons for both her eyes and her back and as you can SEE, she's BACK in action!!

Some things can't be fixed and sometimes there's nothing anyone can do about it. I lost my father, Wilbur Good, to cancer on May 15th. He lived a fruitful life full of wonderful memories and service. He is missed by all who knew him.

One month before losing Dad, we lost another close friend and avid rider, Ozzie DeLong. I'm not sure if I would still be riding today if not for Ozzie. I know I wouldn't be a proud Goldwing owner. My bike, "Big Red", was Ozzie's favorite motorcycle out of the 30+ bikes and trikes he owned in his lifetime. I inherited his bike when he turned 80 and moved to 3 wheels. Oz was a million mile plus rider and an inspiration to all who knew him. There is a photo tribute to Ozzie and his time with Chapter T on page 12.

I reached a milestone this year! I am now a Charter Life Member of the AMA. That means 25 consecutive years of membership. They sent me a patch, sticker and pin as well. The AMA supports motorcycling and motorcyclists from your backyard to Washington DC. I encourage any and all of you to join.

Buckeye Rally was a lot of fun and we include some pictures for you to enjoy. We have many events coming up so watch your emails. Enjoy the heat!

Your director,

Ron Good
