

Share Your Time and Talents Through Desert Streams

Name/s

Phone

Email

Each person is a necessary and important part of the body of Christ called Desert Streams. God has gifted you with unique gifts and talents you can share through this church. Take a few moments to consider how you can serve. Please complete this form, even if you have filled one out in the past, so we can create fresh data for 2010-2011. If two people are using this form, please use two different colored pens to write your names at the top of the page. Use the same corresponding colored pen to place a check mark before those service opportunities you'd be willing to do. If you have questions concerning any of these ministry tasks, please contact the church office (623-215-8139).
