OUR SERVICES

Amazon Alexa Assistance

From setting up Alexa skills to optimizing your voice search presence, we help you harness the power of voice technology to reach a broader audience.

Echo Show 15

The Echo Show 15 serves as the heart of your smart home or apartment, acting as your home's central hub. It is a key component of our comprehensive smart home package, designed to streamline and enhance your daily living with seamless smart home integration

ABOUT US

Daniel Rodgers Advisors is a dedicated Monmouth County small business marketing firm, committed to elevating a brand's presence and success. Our mission is to provide personalized and effective marketing solutions that cater specifically to the needs of small businesses in our community. With a focus on innovation and customer service, we offer a wide range of marketing services designed to help your business thrive. **As part of our service to the community, we also provide smart home solutions designed to assist various needs and lifestyles, including the elderly and those with mobility challenges.**

Smart Home Integration

Installation and setup of smart cameras, smart plugs, and other smart home devices to enhance security and efficiency

Cord-Cutting Solutions

Let us help you cut the cord and save money by transitioning to modern streaming and smart home systems. Say goodbye to expensive cable bills and hello to the convenience and affordability of streaming services

We sell and set up complete Amazon Alexa packages for smarter living. Contact us now for a free consultation and take advantage of our exclusive offers!
