

# AMERICA

The City of Columbiana is honored to be selected as an official America 250 Community by the State of Ohio. We believe Columbiana is the nicest place in America, and in 2026 we intend to prove it—by hosting one of the most recognized and meaningful America 250 celebrations in the Mahoning Valley.

To bring this vision to life, we invite individuals, families, and businesses to partner with us in celebrating 250 years of American independence through a series of patriotic events, scholarships, and community programs.

Our cornerstone campaign invites 250 community members and organizations to contribute \$250 in honor of America's 250th anniversary.

As a **\$250 for 250** supporter, you will receive:

- Public recognition on social media and in print advertising
- Recognition through special community projects honoring contributors
- One of 250 customizable pavers that will be incorporated into the Garden of Eatin' community space located on South Main Street

To become a sponsor or supporter, please contact the Columbiana Tourism Bureau at 330-482-2282 or donate below.
