

Marijuana Research License Application Checklist

The following information and documents will be required for each initial application. All documents submitted to the scientific reviewer, Dynamite Ag, Inc., must conform to the following formatting requirements and contain the required attachments necessary for application review. Failure to comply will result in the withdrawal of your license.

Formatting

8 ½ by 11-inch portrait-oriented page dimensions;
Single-spaced with all margins measuring at least one inch;
At least 12-point font in Times New Roman or Arial, not proportionately reduced; and
Legible PDF format with attachments appropriately named; for example, “License_111111_Cover_Page,” “License_111111_Research_Plan,” etc

1. **Cover Page Form:** Provided to applicants by Dynamite Ag
2. **Marijuana Research License Application Form:** Provided to applicants by Dynamite Ag
3. **Signature Page Form:** Provided to applicants by Dynamite Ag
4. **Research Plan:** A research plan prepared by the applicant, limited to four pages that includes the following information:
 - Purpose and goal(s) of the proposed research project(s);
 - Key milestones and timelines for the research project(s);
 - Background and preliminary studies;
 - Amount of marijuana to be grown, if applicable, including the justification with respect to milestone tasks;
 - Anticipated cost of the proposed research project(s) and funding available for the work;
 - Key personnel and organizations, including names and roles; and
 - Facilities, equipment, and other resources required and available for conducting the proposed research project(s).
5. **Biosketches:** Biosketches for each individual involved in executing the proposed research project must be prepared using the form adapted from the National Institutes of Health (NIH) biographical sketch format, provided to the applicant by Dynamite Ag.
6. **Letters of Support:** Letters of Support if external personnel or organizations will participate in research activities under an approved research project.
7. **IRB and/or IACUC Letters:** IRB or IACUC letters as required.
