

Marijuana Research License Application Form

Instructions: This document is a fillable PDF. Type the requested information into this document and save the file with a file name containing your license number (from the LCB) and the words “application form”; for example

“License _111111_Application_Form”

The marijuana research license application additionally requires the following documents that must be sent as attachments along with the Cover Page, this Application Form, and the Signature Page:

1. Research Plan
2. Biosketches
3. Letters of Support
4. IRB and/or IACUC letter(s), if performing research involving humans and/or animals, respectively.

These materials are described below, including instructions for proper file name formats and submission protocols. You may also wish to review the Marijuana Research License Application Checklist to ensure that your application is complete.

Email this Marijuana Research License Application as an attachment, along with your other application materials to curt@DynamiteAg.com with the subject line “Marijuana Research License Application”

Legal Entity/Owner Name:

1. Name of Applicant: _____
2. Application Marijuana Research License Number: _____
3. Applicant Unified Business Identified (UBI) Number: _____

Applicant Primary Contact Information

1. Name of Primary Contact: _____
2. Position of Primary Contact: _____
3. Phone: _____
4. Email: _____

List of all Business Owners:

1. Name: _____
2. Name: _____
3. Name: _____
4. Name: _____
5. Name: _____

Additional owners may be listed on a separate sheet of paper if required. Is a supplemental list included? Yes No

Research Plan

The applicant must provide a concise description of the research project. The description may not exceed 4 pages (not including references). The description should address:

- a. Purpose and goal(s) of the proposed research project.
- b. Key milestones and timelines for the research project.
- c. Background, relevant research, and preliminary studies
- d. Amount of marijuana to be grown, if applicable, including the justification with respect to milestone tasks
- e. Anticipated cost of the proposed of the research project and all sources of funding for the work.
- f. Key personnel and organizations, including names and roles; and
- g. Facilities, equipment, and other resources required and available for conducting the proposed research project.

Attachment: Research Plan. Email your Research Plan as a PDF attachment with the file name containing your license number (from the LCB) and the words “research plan”; for example

“License_111111_Research_Plan”

Biosketches

A biosketch for each individual involved in executing the proposed research project must also be included with the marijuana research license application. Biosketches are limited to two pages per individual performing technical and administrative functions essential to performing the proposed research, including proof that the individual is twenty-one years of age or older. Biosketches must be prepared using the form adapted from the National Institutes of Health (NIH) biographical sketch format. This form is available on the Dynamite Ag website.

Attachment: Biosketches. Email your Biosketches as a single, combined PDF attachment with the file name containing your license number (from the LCB) and the words “biosketches”; for example

“License_111111_Biosketches”

Letters of Support

Does this project require a commitment of time and/or resources from external personnel or organizations? Yes No

If “Yes,” attach Letters of Support as required for the project. Letters of support are limited to two pages per letter confirming the commitment of time and resources from external personnel or organizations if external personnel or organizations will participate in research activities under an approved research project. Letters of support are required to confirm the commitment of time and resources from personnel involved in the proposed research project(s) who are not employed at the applicant organization. Letters of support must include specific details regarding the type(s) and magnitude of the time and resources being committed to the proposed research project(s) and must be signed by individuals having the authority to make such commitments.

Email your Letters of Support as a single, combined PDF attachment with the file name containing your license number (from the LCB) and the words “letters of support”; for example

“License _111111_Letters_of_Support”

IRB and/or IACUC Letter(s)

Will the project involve the use of animal subjects? Yes No

Will the project involve the use of human subjects? Yes No

For all project(s) involving human or animal subjects, documentation of all required institutional review board (IRB) or institutional animal care and use committee (IACUC) approvals must be provided with the marijuana research license application. Documents must be provided on IRB or IACUC letterhead and be signed by authorized officials of those regulatory bodies.

Email your IRB and/or IACUC Letter(s) as a single, combined PDF attachment with the file name containing the word “IRB Letter” and/or “IACUC Letter” (as appropriate) and your license number; for example:

“License _111111_IRB_Letter”

Anticipated time to complete this research project in calendar months: _____
