

SUIK™

Single Use Injection Kits | Rx Only

To enhance patient safety in the clinic, and to follow CDC Guidelines, **Single Use Injection Kits (SUIK™)** are the standard of practice now more than ever. Reduce the risk of contamination by making every injection a safe one.

- Designed as one kit per patient
- Increases compliance to Safe Injection Practices outlined by the CDC
- Puts patient safety first while saving time
- Reduces the risk of human error and environment contamination
- Listed in National Publications
- Reimbursable through most insurance carriers
