# Effective OA bracing has never been this easy!

**Glyde OA**® is VQ OrthoCare's simple, effective, and elegant approach to reducing osteoarthritis knee pain. One strap, with an easy pushbutton closure, suspends the brace over the calf, and provides dynamic pressure relief. The breathable DiamoCool™ fabric wrap provides comfortable compression, and conceals the 3-point leverage corrective frame.

One strap, one pushbutton closure and an easy-to-apply, athletic style, DiamoCool fabric wrap.

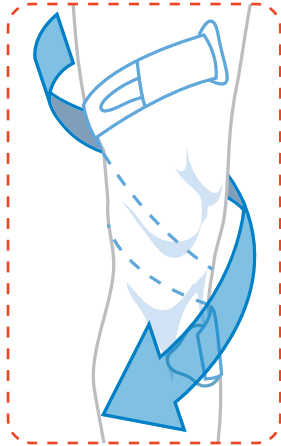

**So easy, patients can fit it themselves!**

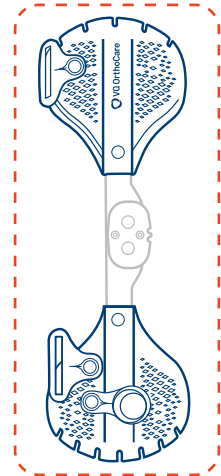

**It's not just easy. It's effective!**
