WHAT IS VCC?

Introduction

A Variable Capital Company (VCC) is a type of corporate structure targeted at investment funds. This structure seeks to enhance and complement existing investment fund structures in Singapore.

How to set up?

Every VCC fund (umbrella or standalone) would need fund administrator and a licenced fund manager.

1. Set up a company.
2. Determine VCC type.
3. Prepare Agreements.
4. Appoint minimum one director for VCC.
5. Establish an office address.
6. Appoint Fund Manager.
7. File for VCC with ACRA.
