## VETERANS WALK PATH FUNDRAISER

To honor our service men and women we would like to install a walk path in our Kemp Park. The walk path would be red brick pavers with an entrance from M-25 to the flag pole, and if enough pavers are sold we would advance the path to the band shell. Anyone who has served in our armed forces would be honored to have their names, rank and units etched in the pavers and placed in the park. These would be great gifts for birthdays, anniversaries or for Father's Day or Mother's Day.

The costs of the pavers are:

**\$40.00 for a 4 x 8 brick (15 characters per line with 3 lines)**  
**\$100.00 for an 8 x 8 brick (15 characters per line up to 5 lines)**

Count any spaces as a character including (-) or (/). Do not use periods (.). Use one letter or symbol per space. Start at the left and work across, the engraver will center it for you. A person's name may require two lines. If you have any questions please contact Judy Remar at 989.551.0107.
