GREETINGS!

Pahrump Valley Chamber of Commerce Members & Partners

We are pleased to announce our new 2022-23 Pahrump Valley Chamber of Commerce Business & Relocation Magazine, "FOCUS", and are confident of the marketing opportunities this new publication will offer you.

The 2022-23 Pahrump Valley Chamber of Commerce's Business & Relocation Magazine is our premier promotional publication showcasing businesses throughout the Pahrump Valley, the community and providing relocation information to new residents. The magazine will be the first resource that many new residents, businesses and visitors use when looking for information about our businesses, general business development and expansion information, future business trends, relocation information, area demographics and livability factors; all of which might foster and drive economic development and relocation to the Pahrump Valley and surrounding areas. Participation in the Chamber's FOCUS Magazine has great advantages. 20,000 printed copies of this publication will be distributed in the best locations and distributed regionally and out of state to help drive business to our advertisers, and our on-line digital magazine will allow you to reach thousands more. Your advertisement in the digital guide will be linked to your website, giving readers one-click access to your business. Please find the 2022-23 advertisement rates attached, which detail your options for participation.
