

BULL SHEET 2024 SALE

Thank you to each of you that have shown an interest in our cattle over the years. We look forward to the sale each year as it gives us a chance to connect with those who have purchased our animals previously and meet new customers. Due to the increased cost of feed and supplies, we are raising our minimum bid to \$3000 this year. We will continue to house and condition the bulls until June 1st at no additional cost. Delivery is free within two hundred miles and payment is not due until we deliver the bull to you. Please feel free to call Jim to arrange a time to view the bulls prior to the sale. (712)260-6144 (or Marcia at 712-260-6145). The sale will be held at Dave Hermstad's farm as he is developing the bulls. 4747 240th Ave Webb, IA. (It is 2 1/2 miles East of Jim's farm as the crow flies). March 30, 2024 at 1pm.

305 - Patriarch son out of a LAF402(Absolute) first calf heifer (137). This young cow did a wonderful job with this bull. Her mother (620) was out of Cedar Chest and was a very productive cow in our herd. **Heifer bull 38cm scrotal 75/90 motility/morphology**

BULL SHEET 2024 SALE

324 A nice LAF826(Diverse) son out of a pretty LAF402(Absolute) dam (613 – Hannah Jr). This calm mother had him up and nursing him quickly and he has been a steady gainer and eye-catching bull. His mother is a good uddered cow. Our home raised bull LAF402 was very good-tempered, and we used him for several years with impressive results in cow production. **Heifer bull 35cm scrotal 75/90 motility/morphology**
