

2026 Heifer Highlights

Our heifers are special as they are a product of our hard work in the development of animals that will perform well in raising calves. As usual they are the ones that are hardest for Jim to part with as they are all his pets. The bulls used this year were True North and LAF105(Accomplishment). Both offer really good maternal traits which were pretty evident in this year's calf crop. Payment is due the day of sale with pick up that day or arrangements to be made soon after. We will not retain any to breed for you as we have in years past.

LAF506 AAA 21308309 A True North daughter out of a Patriarch first calf heifer (315). Some good pathfinder cows in this heifer's pedigree. True North is strong in maternal traits so this calf should make a fine addition to your herd.

LAF525 AAA 21360050 LAF105(Accomplishment) daughter out of a Stellar cow (021). This home raised bull makes some nice heifers with good udders. This young heifer has a CED of +10 and also has some good EPD scores for her maternal characteristics. The dams on both sides of her pedigree have raised many calves for us.

LAF537 **AAA** **21306883** A
LAF105(Accomplishment) heifer out of a really good LAF120(Cedar Ridge) dam (661). We have multiple cows in our herd that this cow has raised. She will make an exceptional cow. This young heifer was a beauty as a baby and she has some really productive cows in her background. She has produced some really good bulls but also some outstanding cows that have been top producers.

LAF538 **AAA** **21319217** A
LAF105(Accomplishment) heifer out of a really good LAF402(Absolute) dam (861). This young heifer was an orphan at 2 weeks, but she found her way in the herd and weaned herself from the bottles we offered. She is a beauty and we will likely regret parting with her. Her mother was a cow who did well with her calves and raised some top bulls.
