

**Jim Leading his cows to work them.  
Pays to have calm, workable cattle.**

Jim & Marcia have spent over 50 years developing their herd. We are strong believers in finding good bulls that will make good cows. Having good cow traits will ultimately make you profitable cattle. We value docility in addition to calving ease but also animals that will growth.

#### **Auction Process:**

Sale**

*Saturday  
March 28, 2026,  
at 1pm*

**Yearling heifers sired by True North and LAF105(Accomplishment)**

### **Heifers**

As many of you know, Jim has a hard time parting with the heifers we raise. This year we had quite a few heifers, but it didn't make the selections easier. The heifers were sired by True North and LAF105(Accomplishment). True North is what Jim used for AI on most of his herd. He provides good maternal traits: "daughters are big bodied, slick haired and easy fleshing, with exceptional udders. Docility and Energy values are also strong. LAF105's daughters have great udders, are slick haired, and good \$M value indexes.

**Auction will be on March 28<sup>th</sup> at 1pm, and we will have a sale order developed prior to sale day.**

Come early to view the bulls/heifers. They will be sorted and ready for viewing by 10am. Grab some lunch and a piece of pie before the sale starts at 1pm.

---

*We value the relationships we have forged over the years with many of our customers. We feel that we are successful if we offer you an animal that will make you quality cattle.*

---

**You are welcome to view the animals prior to the sale.**

Please feel free to give us a call if you want to come to view the animals or if you have any questions before sale day. In addition to Jim, Marc Hinnners and the Hermstad brothers can also be contacted to arrange a time to view the bulls. Marc Hinnners: (712)299-7911 and David Hermstad: (712)334-0217

**LAF516(True North) out of a LAF120(Cedar Ridge) dam (664). +13 CED and many pathfinder dams in his pedigree**

### **Sires**

Bulls are out of True North, Comstock, Gibson, and a variety of LAF and MH bulls. Along with True North, Comstock is a bull that offers great maternal indexes and will add value in docility, feet, and udders. Our home raised bulls should do the same as we have bred for these traits for years. Hinner's family has three Gibson sons on the sale who should offer growth, foot quality, and \$M & \$C index values. Hermstad's bulls sired by their herd bulls (MH31Justified) will also offer good maternal traits for your herd.

**We hope this letter finds you all well.**

**Happy New Year from  
the Larson Family.**
