

## 2025 HEIFER HIGHLIGHTS

Our heifers are special as they are a product of our hard work in the development of animals that will perform well in raising calves. As usual they are the ones that are hardest for Jim to part with as they are all his pets. **We are opening bids for them at \$2300.** Payment is due the day of sale with pick up arrangements to be made soon after. The bulls used this year were Patriarch and LAF209(Justified).

2024 S

**423 AAA 21024093** This is a **LAF209(Justified)** heifer out of a first calf **Substantial** heifer (215). There are some good cows behind this heifer. Her maternal granddam (851) has raised several great calves and her daughters have been good mothers. This will be a nice young cow for your herd.

**424 AAA 21024094** This **LAF209(Justified)** heifer is also out of a first calf heifer (226) that is sired by **Stellar**. She is a gem and also has a very productive maternal granddam behind her (862) who is also a good milk producer. This heifer should make a good addition to your herd.

**425 AAA 21057746** This is a nice **Patriarch** heifer out of a good **LAF402(Absolute)** cow (613) (Hannah Jr). Her dam is a qualifier for Certified Angus beef as is this young heifer. There are also several pathfinders in her background. 613 has proven to be a calm and gentle mother to her calves.

## 2025 HEIFER HIGHLIGHTS

**428 AAA 21057748** A **Patriarch** heifer out of a **Black Granite** dam (809) (Luna). The combination of these sires should produce a nice cow for your herd. The dam was one of our bottle baby's that was special. She has done a nice job in raising her calves. This heifer is a little more anxious than the others. Patriarch heifers seem to be aware of their surroundings.

**430 AAA 21057750** This is a **Patriarch** heifer out of a **LAF120(Cedar Ridge)** cow (754). Her dam is a good steady cow that produces a lot of milk. There are pathfinders in her background and LAF120 is one of the best bulls that we have raised in producing calm cattle that get the job done.
