At the Town Office we issue motor vehicle registrations and renewals as well as ATV, boat and snowmobile registrations. We are pleased to assist with hunting & fishing licenses, dog licenses and marriage licenses.

Tax and property information can be obtained here, and walk in tax payments are processed immediately.

We can provide notary service when requested.

Our records may be helpful in genealogy research. Birth and marriage certificates are obtainable.

If you are considering any building projects you may obtain the necessary building permit application here and Shoreland Zone permits if applicable.

To use the transfer station you need a transfer station window sticker, available here. We also issue additional transfer station permits for white goods and tires.

Accepted at Hanover Town Office
