In addition, Temple Members will receive 10% off their child's Nursery School Tuition.

## Other Discounts:

Sibling discount for Nursery School is \$150 per registered child.

There is a 2.5% discount if tuition is paid in full by 6/1/2022.

*The deposit and all subsequent payments are non-refundable and non-creditable for any reason and you are agreeing and acknowledging that you are not entitled to, nor will you seek, any refunds, credits, chargebacks or otherwise with respect to the deposit and all subsequent payments. All Temple/Nursery School obligations must be current in order to register. Tuition payments are due in ten equal monthly installments commencing September 1, 2022. It is intended that the deposit will be applied to the last two installments (May and June), provided however, that North Shore Synagogue reserves the right to apply the deposit at any time prior thereto in its sole and absolute discretion.*

A non-refundable and non-creditable security fee of \$210.00 per family will be billed on September 1, 2022 and is due by September 15<sup>th</sup>.

Tuition invoices are sent out on or about the first of every month. Payment is due no later than the 15<sup>th</sup> of each month. If payment is not received by the end of the month due, your child may not be permitted to attend school until the account is current. If you choose to pay by check/cash you must provide a valid credit card to keep on file. In the event that we have not received your payment by the end of the month due, we reserve the right to charge your credit card on file in order to keep your account current. No refunds, credits or cancellation of fees will be made for school closings or absences or for any other reason.

The above yearly tuition schedule assumes that the Nursery School will be run in the Nursery School building. Due to OCFS and NYS DOH guidelines we may be required to change the class schedule and other programs. In the event that classes cannot be held in the building, the Nursery School program might continue virtually if possible. In such event, and at the end of the month when virtual learning commenced, you will have the option to either (a) continue with the virtual program under the terms and conditions then announced which may likely include a lower tuition, or (b) withdraw your child from the Nursery School program. Staffing of a virtual program may look different from in person staffing as there may only be one teacher in a virtual format per class. From the period the virtual program begins until the end of that month, the yearly tuition schedule shall apply. If subsequently thereafter we are able to return to the building, the yearly tuition schedule will come back into effect (if previously lowered), and those children who were withdrawn from the program will have the opportunity to continue back into the Nursery School program.

**REFUND POLICY** – If a registered child is withdrawn from Nursery School and a written request for the deposit is received before June 30, 2022, the deposit/tuition is refundable less a \$150 administration fee. **After June 30, 2022, the deposit for the 2022-23 school year is not refundable and non-creditable for any reason.** If a child is withdrawn from a program once the program begins, tuition must be paid in full for that month. **The deposit is non-refundable and non-creditable for any reason.**

*Class and teacher placement is at the sole discretion of the Director. A child's placement will be contingent upon a minimum number of children necessary for a class to operate; maximum class size is defined by New York State guidelines.*

The school reserves the right, in its sole discretion, to suspend or terminate a child's attendance.

North Shore Synagogue does not provide nor arrange for transportation to and from Nursery School. I assume full responsibility for my child en route to and from North Shore Synagogue. This means that my responsibility ends only when my child is checked in with a staff member of the Nursery School. My responsibility resumes when my child is released from Nursery School at the end of the session.

**Membership:** - If you are a member of North Shore Synagogue when you enroll your child in Nursery School, and decide to resign your membership while your child is attending nursery school, you will be responsible for paying the difference in tuition between the member and non-member rate.

**Photo Policy:** I am aware that pictures and/or video of my child may be taken at Nursery School and synagogue events and I give permission for these to be used for North Shore Synagogue publicity and yearbook purposes. If you do not want your child's photo used in any of these areas, please provide a written letter directly to the Nursery School.

I give permission for my name, address and telephone number to be included on my child's class list.

By signing this registration form, I agree to be bound by, and to abide by, all of the terms and conditions set forth herein.
