We are writing to you on behalf of the Elmwood Park Bombers. The Elmwood Park Bombers have a rich and long-lasting sense of tradition in fostering the overall development of the athletes who participate in our football and cheerleading programs. Founded in 1959, we are the oldest active independent organization within the borough. The Elmwood Park Football Bombers serve as a great source of pride for the entire community while simultaneously building young future leaders in the process. Our organization is about coming together, sharing together, working together and succeeding together.

The Elmwood Park Bombers Football and Cheerleading Organization is a non-profit organization which is fundamental to the children of our community. As you are aware, funding a non-profit organization is a difficult task. We rely on registration fees, fundraisers, donations, and sponsorship to maintain our financial responsibilities and obligations. Our hard work and dedication to raise the necessary funds becomes more challenging every year. All contributions will continue to provide safe equipment and uniforms for all our athletes.

Your support makes you a partner in shaping these children's lives; to assist them in not only making better football players and cheerleaders by allowing us to provide better services and equipment, but also to assist us in making them better students and future leaders. As a result, your partnership plays a significant role in their success!

On behalf of the entire Bombers Organization, we kindly ask for your financial support and/or sponsorship. Your contribution is tax deductible as allowed by federal law. To contribute, simply complete the form attached, include your gift, and mail it back to us.

Benefits of Sponsoring:

- Creating Positive Publicity
- Heighten Visibility
- Great Community Marketing
- Promotion of Corporate Image
- Tax Deduction (We are a non-profit 501(C)(3) organization)

Donations can be mailed to:

Elmwood Park Bombers
