Dear Friends of STAR House,

We are so grateful for all of our supporters who have supported Ramsey Crisis Nursery in many ways throughout the year. Because of you, we

Letter from the Board President!

continue to reach for the stars. We are excited

about our name change to STAR House and hope it lends comfort and confidence to the community. STAR is an acronym that highlights the *Strength* it takes to ask for *Time* and the resulting *Resilience* promoted in families.

We are close to being able to offer children a safe place to rest and play as well as additional support for caregivers. With your continued support, we will achieve our goal to rent our first location by the end of 2022 by meeting our fundraising goal of \$70,000. Support comes in many forms and we hope that you will reach out or explore our website for how to make a donation, give time, or otherwise be a STAR for families in need of support.

Thank you
