

STAR House June News 2024

STAR House Progress Update

STAR House continues to make progress toward opening! Over the last month, we have been able to make the next baby step towards getting our license, moving from licensing to building code to zoning. Once approved in zoning, we will need to make our way back through these entities for final approval. While this has been slower than anyone would like, we are continuing to move in the right direction. We are grateful for your support and the dedication of STAR House's stellar leadership and volunteers along this journey.

How You Can Help

Let our city and state officials know you support STAR House! Please consider taking a minute to send an email, a postcard, or make a phone call to one of our local government officials. To make it easy for you, we have provided names, contact information, and an email draft on our website!

Share your support

In the Community

This June, STAR House had an awesome time at Grand Old Day and Juneteenth in Roseville! It was fantastic to connect with everyone and celebrate together. We're so grateful to everyone who purchased a wristband, visited our booth, shared their stories, and showed their support.

A special shoutout to a local donor for the treats!
