STAR House Launch Progress

STAR House is thrilled to announce our new Board Vice President Sarah Anderson! We're looking forward to collaborating as we continue to work toward opening our doors.

Our opening deadline has changed. As we've been busy preparing, we've decided to take some extra time to verify everything is in order to ensure a comfortable home for families. Over the next few months, we will work toward filling the home with love and comfort as work toward finalizing the licensing process.

The Launch Committee has been diligently preparing for the licensing process. Another team of volunteers are actively researching the many valuable resources available for creating a trauma-informed environment and creating a training protocol for staff and volunteers. We also have volunteers working to get the physical space ready.

We're looking for volunteers to help prepare our beautiful start-up location! We need help with painting, cleaning, light maintenance, and furniture moving - you pick what works best for you! Come join us for an exclusive tour, teamwork, and lunch! Must be 18+ unless accompanied by an adult. Join us October 28, 2023, from 10am to 2pm. You can sign up to help by contacting info@starhousemn.org.

Ramsey County Inclusive Workplace Cohort

STAR House has been participating in the Ramsey County Inclusive Workplace Cohort and will graduate in December. We will be leaving with the knowledge and foundation for creating an equitable inclusivity plan for STAR House. Due to STAR House's stage in development, we have chosen two focus areas and set goals in Leadership and Hiring. The experience has been invaluable toward our future of equitable practices. We commit to following through on our established goals and expanding the goals in our plan as we grow as an organization.
