## **Class/Appt. Scheduling Policy and Cancellations**

At times, it becomes necessary to alter our class schedule. We try in all cases never to cancel a class but instead adjust it's format in the event of instructor illness. When classes do not have 3 or more attendees scheduled, we may cancel a class when there is another for guests to attend. You will be notified via email/text.

Please be sure in all cases you are scheduling and cancelling your classes /appts. particularly any class with space limitations so that another waitlisted person can attend. AOK!'s App makes it simple, visit our website at www.aokfitness.com for info on how to download AOK!'s App.
