

Joseph F. Healey Memorial Scholarship

The Board of Directors of the Joseph F. Healey Memorial Golf Tournament is pleased to announce the Joseph F. Healey Memorial Scholarship to those students enrolled full-time in any educational program above the high school-level at the time of the announcement of the award. The scholarship is open to all students who either work in the golf industry or are members of golf clubs in either Massachusetts or New Hampshire. Additionally, all applicants must reside in either Massachusetts or New Hampshire. The Joseph F. Healey organization has helped students to meet the rising costs of a college education by awarding over \$108,000 in scholarships to date.

The Joseph F. Healey Memorial Scholarship Fund Committee will be responsible for awarding the scholarships to deserving students. The award will be based on an applicant's knowledge of the life and contributions of Joseph F. Healey, academic performance, character, involvement in extra-curricular and community activities and a personal essay. The semi-finalists will be invited to attend an interview.

The Board of Directors takes great pleasure in inviting our youth to actively pursue this scholarship in memory of "Joe" Healey. Joe was a graduate of Methuen High School who turned his passion for golf, which was instilled in him by his father, into a career as a golf professional. From his beginnings at George Gelt's Crystal Springs Golf Club to his tutelage by Ted Murphy at Garrison Golf Center, Joe went on to a successful career as the Director of Golf and Head Professional at a number of area golf clubs.

As a successful junior golfer, Joe won many titles including, The Boston Globe Junior Golf Championship, two Junior Rogers Championships and a New England Junior Title. Later in life, Joe acquired a new passion and secondary career as a basketball official, where he again excelled. He worked countless high school and NCAA games throughout all of the divisions. Joe truly enjoyed organizing officials for the Greater Lawrence Christmas Basketball Tournament, but what Joe found most rewarding was the camaraderie of the industry and the mentoring of aspiring, young golfers. He was a long-standing member of the PGA of America, The NEPGA, The National Association of Sports Officials, the CBOA and the IAABO.
