

Schedule of Smart Test Series – Ticket to Mains

Batch 3 – Starts 5th Jan, 2025

A robust and fail proof **rigorous mentor guided** program with a **solid revision plan**.

The Test Series ensures a **thorough revision** of each and every module **4 times** before the exam as depicted below.

Once you prepare a topic and take **the first test**, first revision will be in **4 weeks**, and **second round of revision** will be in the form of Full-Length Tests after another **2 months**.

Also, since Current Affairs holds a very important place in this examination, dedicated tests with revision tests are added for it in the test series.

After every round, the mentors will ensure that all the weak points are identified and fixed so that we are war ready on the day of the exam. **Not just these tests, an aspirant will be able to discuss any other tests of prelims from any coaching/platform with the mentors too.**

We also take early and mid-stage full length tests to assess the preparedness of our students thoroughly.
