# Schedule of Smart Test Series – Ticket to Mains

## Batch 1 – Starts 1<sup>st</sup> Dec, 2025

A robust and fail proof **rigorous mentor guided** program with a **solid revision plan**.

The Test Series ensures a **thorough revision** of each and every module **4 times** before the exam as depicted below.

Once you prepare a topic and take **the first test**, first revision will be in **6 weeks**, and **second round of revision** will be in the form of Full-Length Tests after another **2 months**.

**Also, since Current Affairs holds a very important place in this examination, dedicated tests with revision tests are added for it in the test series.**

After every round, the mentors will ensure that all the weak points are identified and fixed so that we are war ready on the day of the exam. **Not just these tests, an aspirant will be able to discuss any other tests of prelims from any coaching/platform with the mentors too.**

**We also take early and mid-stage full length tests to assess the preparedness of our students thoroughly.**
