Because more than coaching, you need a coach...

About The Programme

The Coach Programme (TCP) is a personalized mentoring program based on the philosophy: **“More than coaching, you need a coach”**

It's a comprehensive program with a strategic & outcome-oriented approach to help students, both freshers & experienced, striving to ace UPSC in one attempt. TCP adopts an innovative model where students receive continuous guidance from experienced mentors, who help them build a strong foundation, enhance critical thinking, improve answer writing skills, and achieve clarity in thought & expression.

Through rigorous practice, continuous assessments, & expert mentorship, TCP transforms students' abilities into competencies, instilling the confidence that's essential to crack UPSC.

Challenges that Students Face

- Lack of direction throughout the preparation
- Too many sources - zeroing down the right one
- Struggling to create a realistic & structured year long study plan
- Unable to balance GS, CSAT & Optional
- Poor proficiency in MCQ solving
- Inadequate answer writing practice
- Neglecting fringe areas/value addition content
- Failing to formulate a robust revision plan, &
- Difficulty in maintaining consistency, discipline and motivation

“
**Preparing leaders of tomorrow
