

Abstract / Full Paper Submission Guidelines

Before submission

1. Check and follow the CANCOM2024 abstract/paper submission template [here](#).
2. Create Microsoft CMT account for CANCOM2024 [here](#).

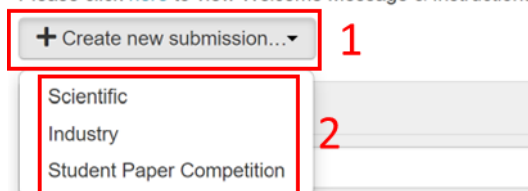

How to submit

1. Log into your CMT account.
2. Click 'Create new submission' on the top left conner and select the type.

Note: if you are from academia (i.e., university), please select 'scientific'; if you are from industry, please select 'industry'; if you would like to join the student paper competition and have the chance to win the award, please select 'Student Paper Competition'.

Author Console

Please click [here](#) to view Welcome Message & Instructions.

3. Input the paper information (i.e., title, authors, emails, and subject areas) and attach the file.
4. Submit.

After submission

1. Wait for the decision sent to your registered email.
2. Check our [website](#) or [LinkedIn account](#) for more updates.
