Dear Clients,

Thank you so much for selecting me to capture these beautiful moments in your life. Just so there are no issues with privacy I want to make sure everyone has the opportunity to choose whether or not the photos I take of them/their loved ones goes onto my social media. I have an instagram account I specifically use for my photography, @photographybybree\_ , a facebook page, and a website. Posting your photos helps me acquire more business and get myself out there, it helps me express my art.

Please select one of the below options. Sign and Date.

I give you permission to post my photos on your social media.

I do not give you permission to post my photos on your social media.
