STREET LEAGUE ENTERTAINMENT LLC | ON-1 FOOTBALL

Adult Participation Agreement and Risk Acknowledgment (18+)

DRAFT FOR CALIFORNIA ATTORNEY, INSURANCE CARRIER, AND (WHERE APPLICABLE) QUALIFIED MEDICAL REVIEW. NOT APPROVED FOR LIVE COMPETITION.

Purpose and scope

This proposed agreement applies to voluntary participation in ON-1 Football activities organized by Street League Entertainment LLC ("SLE"), including approved practices, demonstrations, and games. The specific event, venue, date, contact format, and applicable league rules must be disclosed to participants before activity. Signing does not guarantee eligibility or permission to play.

Acknowledgment of inherent risks

Football activities, including noncontact formats, involve risks of falls, collisions, rapid movement, exertion, equipment or surface hazards, and injuries including sprains, fractures, heat illness, head injury, concussion, permanent disability, or death. Contact formats can involve additional impact risks. No equipment or rule eliminates these risks.

I agree to follow applicable ON-1 rules, safety instructions, officials' directions, and medical removal decisions; to report suspected injuries or concussion symptoms; and not to return to play without required medical clearance.

Fitness, eligibility, and emergency care

I will provide truthful eligibility information and obtain required medical clearance before physical participation. I understand that self-certification or this agreement does not substitute for the league's medical screening and safety procedures.

If an emergency occurs, SLE personnel may contact emergency services and share necessary information with responders. Any medical treatment decisions remain with qualified professionals and the participant where legally possible. Costs and insurance coverage depend on applicable policies and law; this agreement does not guarantee coverage.

Assumption of risk and proposed release - attorney review required

To the extent permitted by applicable California law, I voluntarily assume the inherent risks of the described activities. Subject to attorney review, I agree to release SLE and its authorized personnel from claims arising from ordinary negligence associated with participation, but not from conduct that cannot legally be released, including gross negligence or intentional misconduct. This clause requires review for enforceability, precise covered parties, and applicable circumstances.

Nothing in this agreement limits SLE's obligation to implement appropriate safety practices or overrides applicable law.

Privacy and media

Personal information will be handled under a separate privacy notice. Participation does not require promotional photography consent; that choice is documented in a separate optional media release.
