## Optional choice - not required to participate

SLE may request permission to photograph, record, and use a participant's image, voice, name, and likeness for ON-1 Football and SLE promotional, editorial, website, social media, and event recap purposes. This consent is optional; declining does not disqualify an athlete.

## Choose one

[ ] YES, I authorize the described recording and use, without compensation, subject to applicable law and the limitations below.

[ ] NO, I do not authorize promotional use of my image, voice, name, or likeness. I understand incidental appearances in public event footage may require separate operational handling.

## Boundaries and withdrawal

No use should imply a personal endorsement of unrelated products. SLE should not publish sensitive medical information. For minors, avoid identifying information beyond what a guardian specifically authorizes.

Requests to withdraw permission for future uses may be sent through the contact method SLE provides in its final privacy notice; prior distributed materials may not be fully retractable. The final policy should specify a contact address, retention period, and any necessary exceptions.
