- ✓ Nutritional Energy
- ✓ Supports Healthy Heart, Muscle, Bone and Organ functions
- ✓ Can replace most other supplements

Product Description: The One is an All-in-One whole food supplement that provides a daily supply of all of your vitamins, most minerals and other essential nutrients. The best nutrients come from food, not synthetic isolates like most supplements. The One includes over 32 super foods in all their colors, 72 trace minerals, 7 digestive enzymes, 9 strains of probiotics, pre-biotics, and all the essential fatty acids including Omega 3,5,6,7 and 9.

The One is Vegan, gluten free, from non gmo sources, and made in the USA in an NSF certified cGMP facility. Why buy 7 or 8 different supplements and spend hundreds of \$\$ when you can have it all in THE ONE?
