Smith Family GOALS

Create a cohesive, harmonious hybrid living/dining space in the Smiths mid-century modern vacation home in Long Island, NY.

Maintain the fireplace and window wall to the screened in porch.

1

Comfort and livability: Ensuring the space is comfortable and livable is a key objective. Selecting comfortable furniture, enhancing natural lighting, and creating an environment where the client feels at ease and enjoys spending her time.

2

Functional optimization: Shelves to display their things, a place for audio equipment, etc.

3

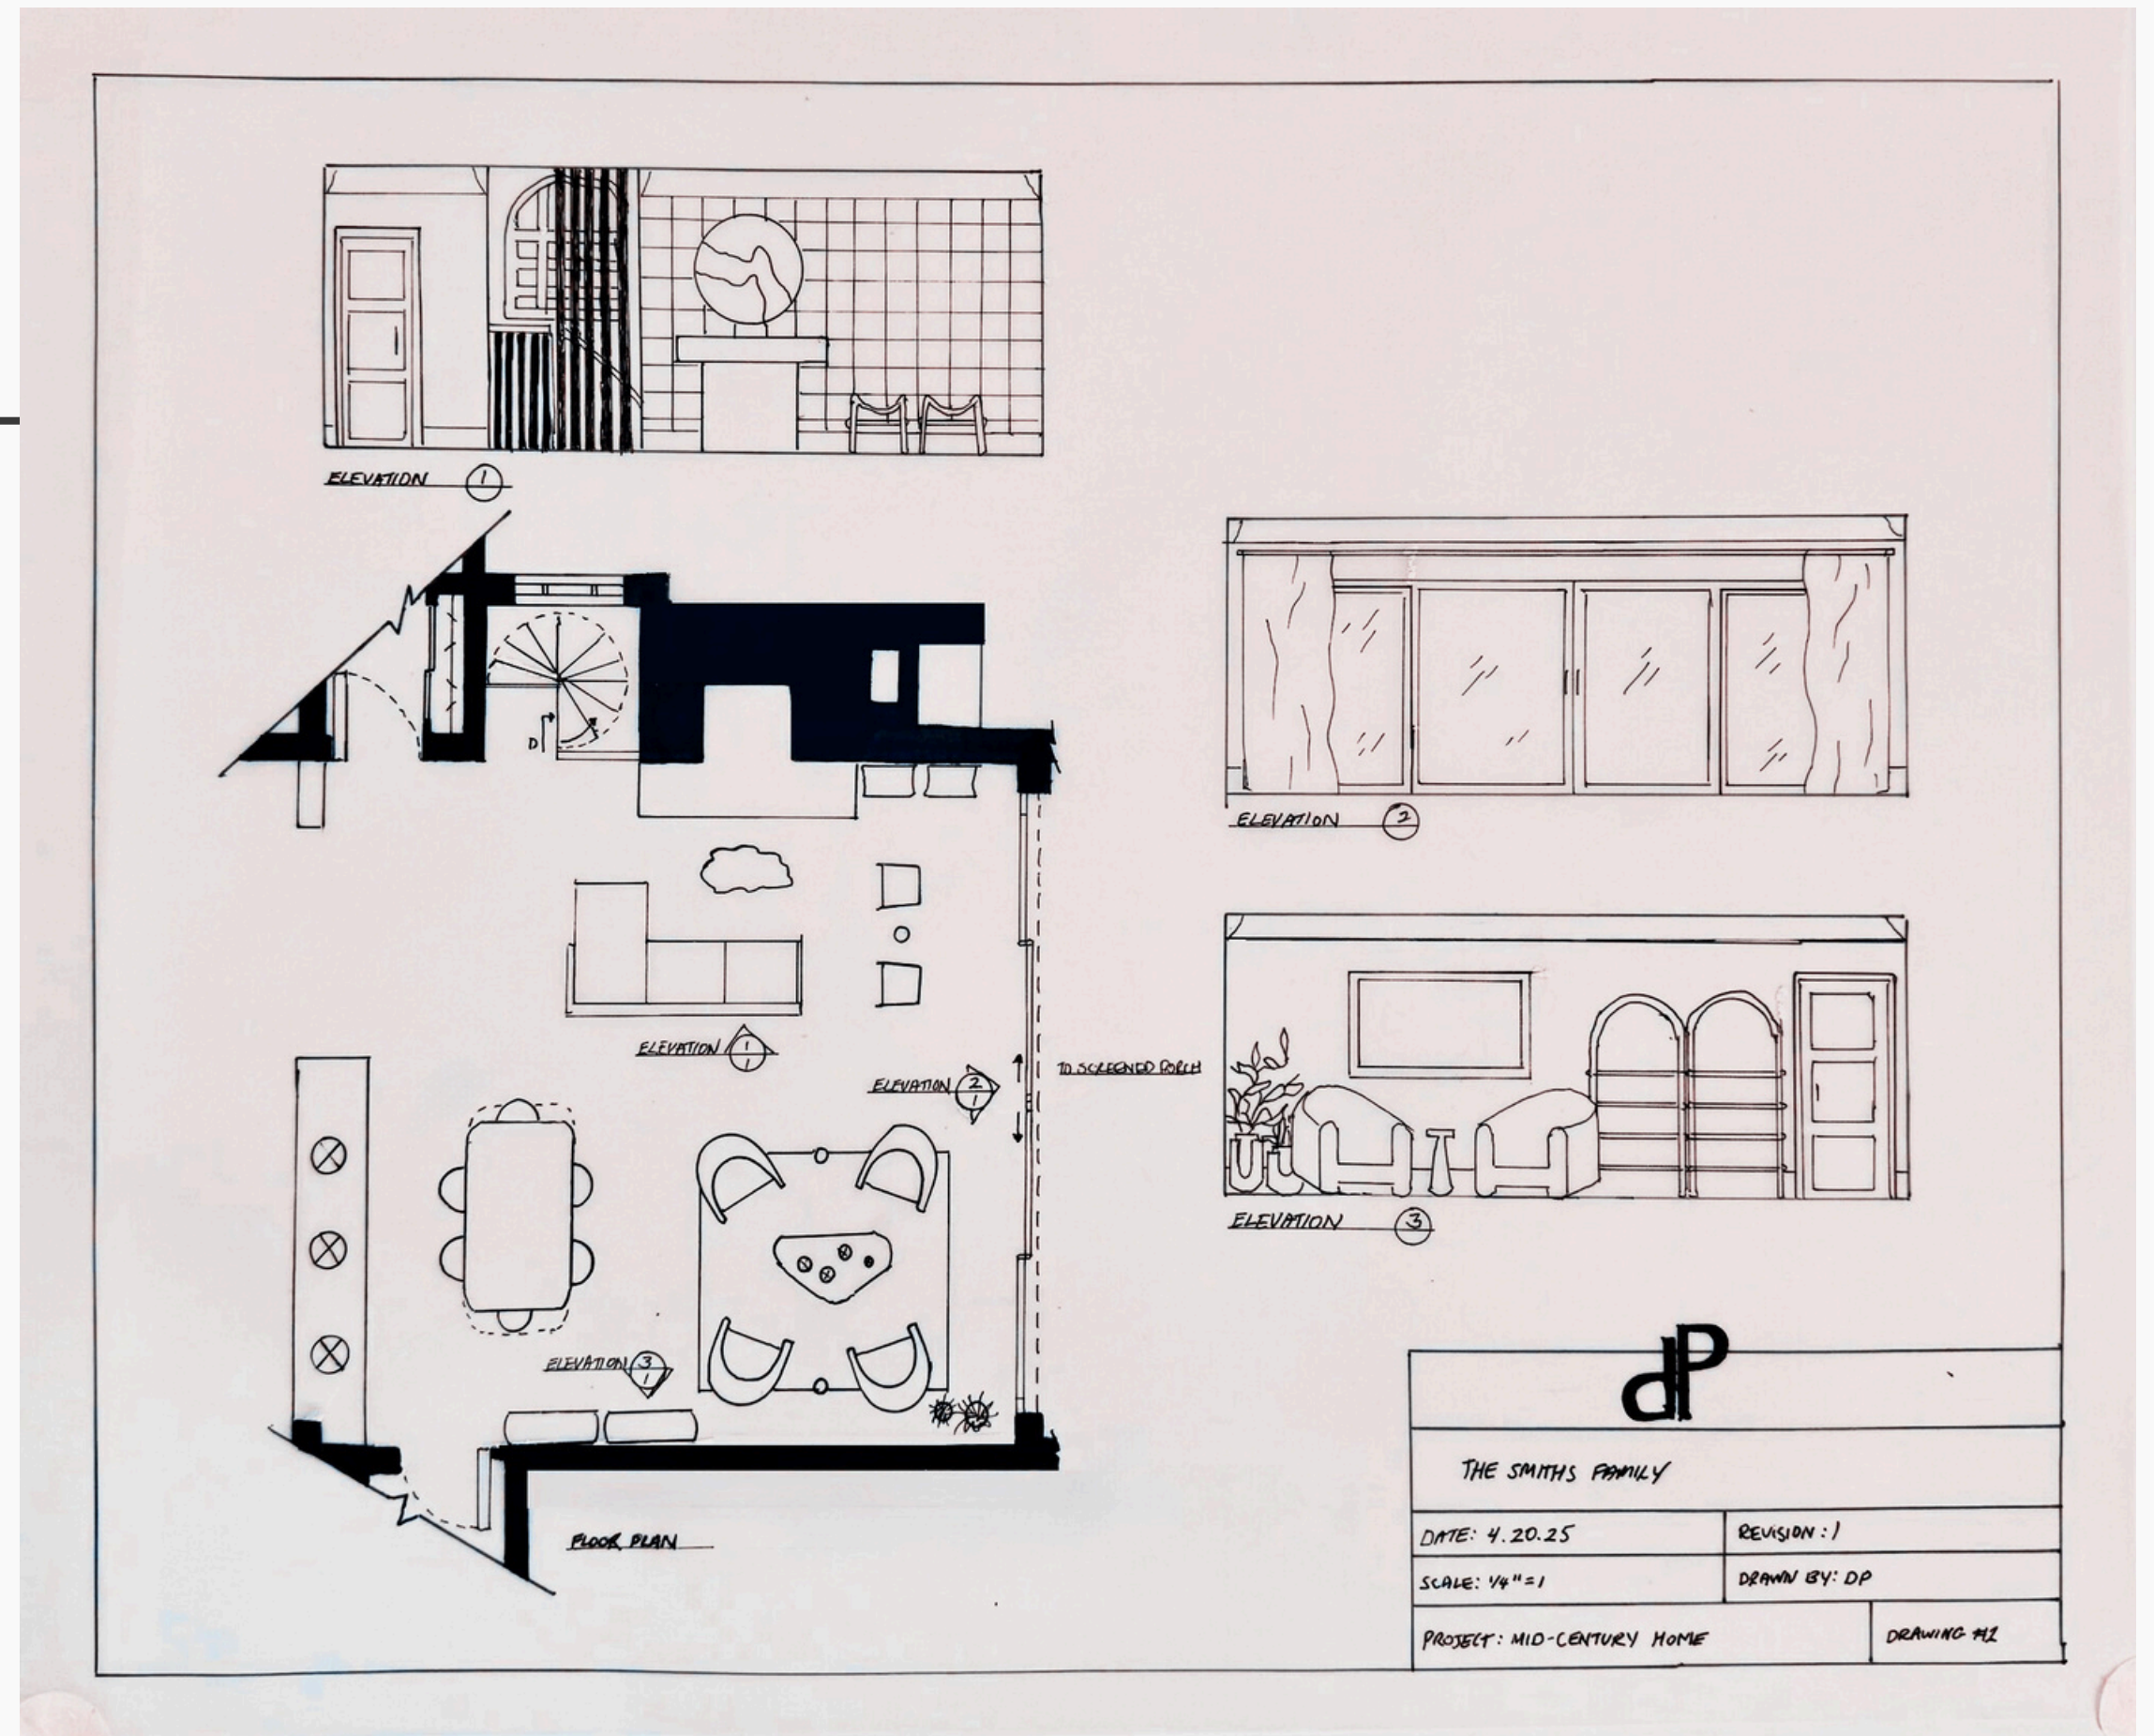

An inviting place for hosting and entertaining guests.

About the FLOORPLAN

FLOORPLAN FEATURES:

1. CASUAL, COMFORTABLE WITH INTERESTING DETAILS
2. OPTIONAL SEATING FOR 10
3. STORAGE SHELVES FOR AUDIO EQUIPMENT & DISPLAY
4. DINING FOR 6 - EXTENDED OPTION FOR 8
5. ORIGINAL WINDOW WALL AND FIREPLACE TO STAY

Design Project Proposal

Design CONCEPT

MIDCENTURY: COZY & MODERN

SIMPLICITY

Clean lines and uncluttered spaces

NEUTRAL PALETTE

Neutral colors like whites, grays, blacks to allow functional elements to shine.

FUNCTIONAL FURNITURE

Sleek, functional furniture pieces. For example, stools for additional seating and multifunctional storage solutions.

MINIMAL DECOR

A few carefully curated accessories - including statement artwork.

LIGHTING

Captivating, mood-lifting lighting designed to infuse your space with the natural radiance of the outdoors.

MATERIALS

High quality materials like polished granite, bronze, and metal. Their simplicity and warmth enhances the overall look and coziness.
