Re: Securities and Exchange Commission vs. Matthew Beasley, et al.
Case No. 2:22-cv-00612-CDS-EJY

Judge Silva,

The attached stipulation has been submitted via electronic filing for your consideration based on Counsel Marc Cook and George Kelesis' representation, as agreed to by SEC Counsel Casey Fronk at the July 25, 2022 hearing, and as appears in the transcript, that the Motion to Amend the Preliminary Injunction and Asset Freeze (Doc. #206) and the Order Amending Receivership Order (Doc. #207) were continued as to Mr. Murphy. The current Orders do not identify that they do not apply at this time to Mr. Murphy. This has created some obvious issues for Mr. Murphy we are seeking to correct. However, we are also trying to avoid the SEC and/or the Receiver from having to re-serve whomever they have served with the issuance of a fully Amended Order. Thus, we are submitting this Stipulation in hopes that it addresses issues related to Mr. Murphy without creating different issues for the SEC. However, in the event that after consideration you decline to allow the continuance as to Mr. Murphy and his inclusion was intentional, we understand that this Stipulation would be rejected by the Court.

Thank you,
