Please note! These lighthouses are not accessible. Just close, beautiful views

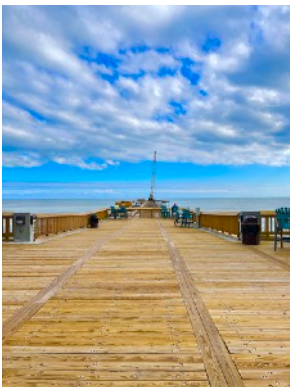

**Morris Island Lighthouse** - Travel to the edge of Folly Island for a up close and personal view of the Morris Island lighthouse. Learn the secrets of this abandoned part of the island, and why the lighthouse is now in middle of the ocean. You will be escorted down a colorful road (.25/mile) to end of the island for this beautiful photo op. There is a sand dune you must climb in order to get to the beach.

Drive Length: 15 miles • 30 minutes  
Walk Length: .25/mile to Lighthouse View  
Visit Length: 15 minutes

Photo tip: foreground/background images

**Folly Beach Pier** - Although under a much needed renovation, this was once the south's premier, beach amusement destination. It has gone through many stages since it was built, but even under construction, is a fabulous place to breath in the salt air, and imagine the heydays.

Drive Length: 3.6 miles. • 9 minutes  
Walk Length: Some stairs  
Visit Length: 10 minutes

Drive length: Photo tip: Black/white

**Citadel** - This military college plays a prominent role from its' inception in 1842, originally located in downtown Charleston's Marian Square. Now accepting students from all walks of life, the beautiful campus ,now located north of the city, is a testament to the discipline of the US military education.

Drive Length: 11 miles. • 25 minutes  
Walk Length: Drop off for Snap! Shot  
Visit Length: 10 minutes

Drive length: Photo tip: Selfies

**Sullivan's Island (Charleston) Lighthouse:** Perhaps the ugliest lighthouse in America, but it is still functional, and it is located on one of the most tragic, yet interesting islands in America.

Drive Length: 9.5 miles • 24 minutes

Walk Length: Drop off for Snap! Shot

Visit Length: 5 minutes

Photo tip: finding a way to make something look pretty

**Fort Moultrie/Fort Sumter & the best view of Charleston:** Come stand in one of the most infamous spots in American history. A place that temporarily lodged thousands upon thousands of African slaves that were transported to this country. A place that witnessed the first shots of both Revolutionary and Civil Wars. And a place that has the highest priced homes and best views of the Charleston sunset.

Drive Length: 1 miles • 2 minutes

Walk Length: Drop off for Snap! Shot

Visit Length: 15 minutes

Photo tips: This spot is rich in history and long range views with endless photo opportunities.

**Back to Visitors Center:**

Drive Length: 9 miles • 20 minutes
