March Meeting Thursday, March 25th

The club meeting this month will be a ZOOM meeting on Thursday, March 25th at 7:00 p.m. You will be receiving information to participate in the meeting. The primary purpose of this meeting will be for the club to nominate the slate of officers for the 2021-2022 club year. Other club business will also be discussed as well as answering any questions that you may have.

It is the hope of the officers that we will be able to meet person to person in the near future. As members receive vaccination shots and assuming that officials continue to indicate a decline in Covid case risk, consideration will be given to the resumption of dinner meetings.
