Board Business

The board approved the following expenditures:

- \$50 to the Lions of Michigan Foundation in memory of Lion Craig Clarke
- \$500 to the St. Vincent DePaul Food Pantry
- \$3,000 to the American Diabetes Foundation for camp scholarships. Because the summer camps were cancelled, the funds will be used for diabetes education for Type I diabetics.

The Paul Bunyan Raffle and White Cane Days are in the “wait and see” mode. The board discussed other fundraising possibilities including on-line options. The current *Lion* magazine contains articles about clubs who have used social media for fundraisers.

Lion Bill G. indicated the MSU Extension has a diabetes education program. The LCI DADS grant could be used for this program.

Lion Bob T. updated efforts to get an Oscoda/Tawas Branch Club started. A power point presentation on how branch clubs work is available.
