******* Committee Reports *******

Humanitarian

A ramp was completed on September 30th for a couple on Sunset in Oscoda. Two platforms were constructed with ramp sections of 8 and 14 feet. Materials for the ramp were \$ 854.55. Lion Tony reports that lumber availability has costs up approximately 20%, \$28 per foot. Thanks go to Lions Tony, Chuck, Ann and Bill G. for their efforts on the project. Special thanks go to Lion Kay who provided lunch for the crew.

River Road Clean-Up

The last road clean-up of the year was completed on September 17th. Twelve Lions put the scenic back in the by-way. Bud Lite cans and plastic water bottles were the favorite items that travelers tossed along the road.

Fall Arts and Crafts Show Cancelled

Vendors have been notified about the cancellation of the fall show. Many vendors have donated their booth fees to the club and many vendors have already signed up for next year's show.

Souper Supper Cancelled

The COVID 19 virus has also caused this special event to be cancelled. Mrs. Merdzinski has requested the Lions' help with funds to repair the kiln. Lion Bill Gaines reports that Mrs. Merdzinski, who is now the high school and middle school art teacher, has agreed to have her middle school students participate in the annual Peace Poster contest.

Community Donations

The ads placed in the *Oscoda Press* and *News Herald* and donations from businesses and individuals have added \$5,600 to help support our activities fund. Also in the works are radio interviews and ads which will address the important work of the club and solicit donations.
