## about me:

poet, confident public speaker

lived on 3 continents

avid soccer fan

my anthem:

That's Life - Frank Sinatra

addicted to mango smoothies

1<sup>st</sup> love: Pizza

mantra:

"life's a results-based business."

PORSCHE 911 turbo - 992

**PORSCHE**

I'm still considering getting a horse!

## EDUCATION

I'm currently enrolled in the **Architectural Studies** program at **George Brown College**.

*I plan on pursuing my masters degree after I finish this program.*

*The goal is to become a community development architect.*

Prior to that, I studied **Business-Marketing** at **Fanshawe College**. *I graduated in 2012.*

## I HAVE LEARNED ABOUT

- Design fundamentals.
- Drawing, drafting, detailing, and CAD.
- Project Management.
- Best-practice architectural standards and construction methods including:
  - Wood Light-Frame Construction | Steel Construction
  - Concrete Construction | Timber Construction
- The building code and its purpose, function, and processes.
- Building science and the results we aim to achieve.
- The overall environmental and social effects of our efforts as professionals and individuals.

## WHAT I CAN DO

- Visualize. Conceptualize. **Design**. Develop.
  - Architectural | Interior | Landscape | Urban | Furniture | Product
- Layout. Program. **Plan**.
  - Site | Space | Building | Structure
- **Build** massing models.
- **Prepare** documents.
  - Construction Drawings | Construction Notes | Schedules | Specifications
- Building code compliance **analysis**.
- Feasibility **reports**.
- Building permit application prep and oversight.
- Marketing design.
  - Graphic | Brand | Web | Digital
- Market **research**.
  - Primary | Secondary
- **Data** analysis.
- **Strategic** marketing.
- **Sales** presentations.
- Train | **Teach** | Coach.
