CRAM 2027 COLOMBO

Cadaveric Regional Anaesthesia Mastery

04.06.2027 | 08.00 AM - 03.30 PM

Day 1

"reading materials will be provided for the individual blocks that are covered as pre reading materials"

Venue: Anatomy Department,University of Colombo

8:00 AM – 8:15 AM: Welcome and Orientation

Course overview , Safety and Expectations overview

8:15AM –09:00 AM: Essential Block Short talks

Topics. "Before the Block: Principles, Planes, and Precision"
"Local Anaesthesia choices and LAST"

09:00 AM – 11:45 AM: Block 1 -Live SCANNING ROTATIONS (5 Groups)

10:00-10:15 AM: MORNING TEA

30 minute Workshops

- Fascia Iliaca (Supra, Infra-inguinal & PENG)
- Serratus Anterior Plane Block
- Brachial Plexus Part 1 - Interscalene/Supraclavicular
- Erector Spinae Block
- Upper limb Peripheral Nerve blocks

12:15 PM – 13:00 PM: LUNCH

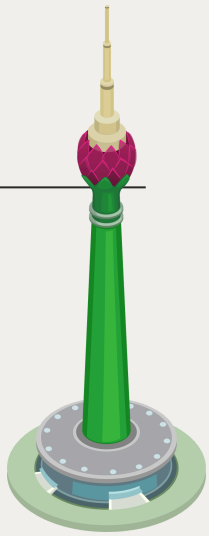

11:45 PM – 03:00 PM: Block 2 Live SCANNING ROTATIONS

30 minute Workshops

- Brachial Plexus Part 2 (Infraclavicular/Axillary)
- Sciatic (Popliteal sciatic)
- Greater Occipital Nerve Block
- Stellate Ganglion Block
- Clinical cases and block correlation

3:00 PM – 3:30 PM: with Tea

"Ergonomics and Needling techniques"
Wrap Day 1and Day 2 expectations

Cadaveric Regional Anaesthesia Mastery

05.06.2027 | 08.00 AM - 03.30 PM

Day 2

Venue: Anatomy Department,University of Colombo

"reading materials will be provided for the individual blocks that are covered as pre reading materials"

8:00 AM – 8:15 AM: Morning Brief

Set expectations for Day 2

8:15AM –09:00 AM: Essential Block Short talks

Topics. **"Short talks on Specific Blocks"**

"Anticoagulation and RA "

09:00 AM – 11:45 AM: Block 1 -Live SCANNING Revisions

10:00-10:15 AM: MORNING TEA

30 minute Workshops

- Fascia Iliaca (Supra, Infra-inguinal & PENG)
- Serratus Anterior Plane Block
- Brachial Plexus
- Erector Spinae Block
- Sciatic and Ankle blocks

12:15 PM – 13:00 PM: LUNCH

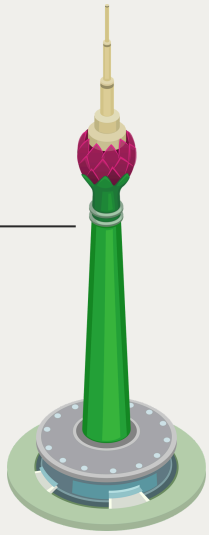

11:45 PM – 03:00 PM: Block 2 Cadaveric Needle Guidance Practice Stations

5 Groups of 30 minute Workshops

- Fascia Iliaca (Supra-, Infra-inguinal)
- Serratus Anterior Plane Block
- Brachial Plexus Part 1 - Interscalene/Supraclavicular
- Erector Spinae Block
- Upper limb Peripheral Nerve blocks

3:00 PM – 3:30 PM: with Tea

Discussion : Block Safety, Monitoring, follow up/ Documentations

Cadaveric Regional Anaesthesia Mastery

06.06.2026 | 08.00 AM - 03.00 PM

Day 3

"reading materials will be provided for the individual blocks that are covered as pre reading materials"

Venue: Anatomy Department,University of Colombo

8:00 AM – 8:15 AM: Morning Brief

Set expectations for Day 3

8:15AM –11:00 AM: CADAVERIC NEEDLE GUIDANCE PRACTICE STATIONS

5 Groups of 30 minute Workshops

- PENG Block
- Stellate Ganglion Block
- Brachial Plexus 2- Axillary/Supraclavicular
- Popliteal Sciatic & Ankle Blocks
- Greater Occipital Nerve Block

10:15 AM - 10:30 AM: MORNING TEA BREAK

11:00 AM – 14:15 PM: CADAVERIC NEEDLE GUIDANCE PRACTICE STATIONS

12:00 AM - 12:45 PM : LUNCH

Cadaveric REVISION -Choose you own block within stations -5 groups

- FIB/PENG Block
- Stellate Ganglion Block/Greater Occipital Nerve Block
- Brachial Plexus
- Lower Limb blocks
- Truncal blocks(SAPB/ESP)

14:15 - 1500 PM: Credentialling , Supervision,Safety & Wrap up
