★ NEW FOR 2018: A priority registration will be used for Deaf/HH campers. This registration modification will help ensure that a balance of Deaf, hard of hearing, and hearing CODA campers is maintained at each age level — which helps us plan for staffing and activities to make sure your camper has the best access to camp. Deaf/HH camper applications will be reviewed immediately upon receipt; hearing CODA applications will be placed on a waiting list and reviewed beginning March 15. Apply today, space is limited!

Please indicate child's method of communication (check all that apply, including for CODA children):

- Verbal (English)
- ASL
- Other (please describe) _____

Please indicate any special needs your child has, including physical, medical or emotional challenges. Include any special medications or medical treatment he/she receives on a daily basis: _____

★ CAMP SCHOLARSHIPS are available to qualified families who are unable to pay the total cost of a camp experience. If you wish to apply for a full or partial scholarship for this child, submit the scholarship application along with the camp application.

Do you need assistance in transporting your child to/from camp? Yes No

(Please note there is not a standard "bus service" for camp. This option is reserved for families who either do not have their own method of transportation or who live far away from camp; in which case in some areas, Sertoma volunteers may be available to assist with transportation of a limited number of children from North Carolina, Virginia and Maryland.)

What is your child's T-shirt size? YOUTH S M L or ADULT S M L XL
