## What is CAMP SERTOMA for Deaf and Hard of Hearing Children?

Camp Sertoma for Deaf and Hard of Hearing Children is a coed camp for youth ages 8-16 who are Deaf, hard of hearing, use a cochlear implant or are signing CODA.

Camp week includes two age groups with special camp activities designed for fun and learning. In 2023, Camp Sertoma returns to Millstone 4-H Center in the heart of the Sandhills Gamelands, for our seventh year there.

Sertoma Clubs and Sertoma members in North Carolina, Virginia and Maryland provide the volunteer leadership and support for the week of Camp Sertoma for Deaf and Hard of Hearing Children each year.

Millstone 4-H Center is accredited by the American Camping Association. Regular summer staff members are responsible for Camp Sertoma's program content, in cooperation with extra signing staff during the week. Adult/Child Ratio for Camp Sertoma is 1:3.

### OUR MISSION ...

Camp Sertoma for Deaf and Hard of Hearing Children gives Deaf and hard of hearing youth an opportunity to meet and associate with others like themselves, as well as interact with positive adult role models who are Deaf, hard of hearing or hearing in a fun, safe 4-H camp environment.

Camp Sertoma serves children ages 8-16 with any type of hearing loss, communication mode, or assistive listening technology. We also accept applications from CODA children (hearing Children Of a Deaf Adult, or Siblings of a Deaf Child), as long as the hearing CODA camper is able to fluently communicate using American Sign Language.

### OUR THANKS TO THESE GENEROUS SPONSORS ...

This wonderful camping program is possible because of the generous support of Sertoma Clubs throughout North Carolina, Virginia and Maryland, and a dedicated committee of volunteers serving on the Camp Sertoma Committee and the Camp Sertoma Club of NC/VA/MD.

In addition to our many Sertoma sponsors, we have been blessed with generous donations from these fine organizations:
