## LOCALS TO SHOWCASE TALENT AT SALA EVENTS IN LITTLEHAMPTON

**Above:** A sample of the variety of artwork that will be showcased as part of the South Australian Living Artists Festival in Littlehampton events during August. **Head to page 4 for more information.**

### **New look for the Glebe Land, Miels Park and the Main Street**

Work will soon begin on the Littlehampton Greening Project; an initiative of the Mount Barker District Council following a successful Places For People \$400,000 grant secured last year. The project aims to improve three key public spaces in Littlehampton: the Glebe

Land, Miels Park and the Main Street.

These three areas had previously been identified as key priorities during the preparation of the Littlehampton and Blakiston Neighbourhood Plan 2018.

**A WORD FROM THE EDITOR...**

Hello, and welcome to the August edition of the Littlehampton Newsletter. Wow—what an exciting month we are in store for! The Peace Memorial Hall will come alive for three weekends in August for the SALA in Littlehampton events. Make sure you check out the details on pp. 4-5. There is something for everyone, so this is an event not to be missed.

You may have noticed some new trees on the Glebe Land. A very hard working and dedicated team are behind this project, and I was lucky enough to catch up with Gillian Boyce, one of the volunteers behind the planting days. Head to pg. 3 for the full story.

On the topic of the Glebe, residents will notice work commencing along the Main Street, Glebe Land and Miels Park as part of the Littlehampton Greening Project. All the details are on pp. 14-15.

If you have a story to tell, or have an event to promote in Littlehampton, make sure you get in touch with us at [newsletter@littlehampton.com.au](mailto:newsletter@littlehampton.com.au)

Best wishes, Amanda

**LITTLEHAMPTON COMMUNITY ASSOCIATION CHAIRMAN'S REPORT**

**By Glenn Liebelt**

Welcome to winter my fellow residents of Littlehampton!

It is indeed a wonderful sight to see the creeks running with water instead of just a trickle. Something we haven't seen for a few years. We need the rain to fill our tanks and dams for the summer. Now they are over flowing it's a good time to gives the creeks a good clean out. Remember, there is never bad weather, only inappropriate clothing!

In August, Littlehampton Community Association is staging a SALA Arts event. This event is happening in our Peace Memorial Hall, showcasing our primary school children and local residents. Come and have a look at this wonderful event on the second, third and fourth Saturdays during the month of August. See you there!

If you have not already, make sure you are following the LCA at @LittlehamptonCommunityAssociation on Facebook. It's a great resource to keep our community up to date and engaged with news, events and general interest topics within Littlehampton.

See you at the next Littlehampton Community Association event!

The **Littlehampton Community Newsletter** is a Littlehampton Community Association volunteer run publication.

The newsletter is produced 3 times a year.

# NEW TREES FOR THE GLEBE

Locals may have recently noticed new trees planted on the Glebe Land.

This is part of the recent development of community land through the Mount Barker District Council's Littlehampton Greening Project, and the tree planting has been spearheaded by a very passionate Blakiston local, Gillian Boyce.

Gillian has lived in Blakiston for 14 years and uses the Glebe regularly for her morning walks with her dog.

"When the Glebe was opened up for the community," says Gillian. "I thought, wow, this is fantastic!"

About two and a half years ago Gillian, along with many other volunteers, was involved in the planting of native trees along the top section of the Glebe.

They realised that there was a need for more trees on the Glebe, as the land is very exposed, especially to cold westerly winds. The trees were needed for protection from the weather, as well as for shelter and screening especially along Old Princes Highway and the soon to be housing development to the west.

Gillian has belonged to Trees for Life for over 30 years and saw a perfect opportunity to contribute to the Glebe development, in particular through her love of tree planting.

Trees for Life supplied the seeds, soil, tubs and fertilizer for Gillian to start growing the trees back in late 2020. Gillian grew over 200 trees and then donated them to the community for the Glebe tree planting project.

Gillian worked with MBDC's Haley Irvine, the Senior Open Space & Urban Designer who is leading the Greening Project, to initiate two community tree planting days in June.

Many volunteers from the Primary School, Rotary Club, Community Association and local community came out on Sunday 20th and Sunday 27th June to lend a hand planting.

The trees are a mixture of eucalyptus, blackwood and sheoaks and are all indigenous to the area, meaning they will survive the hot summers and will only need additional watering if a particularly severe summer occurs.

"They have had a great start to life, especially with all this rain we have had since they were planted," says Gillian.

Gillian looks forward to the developments of the Glebe getting underway in the near future, and in particular is looking forward to seeing all the trees grow beautifully.

"I love living here. To have all this space which was given to the community is wonderful."

*More information about the Littlehampton Greening Project can be found on pp. 14-15.*

**Above left:** Gillian Boyce with the new native trees, and **above centre and right:** locals helping at the planting day.

## PRESENTS SALA IN LITTLEHAMPTON

The artistic and creative community of Littlehampton will come together over 3 weekends in August to showcase the town's talents at the **South Australian Living Artists Festival** in Littlehampton event.

**Littlehampton SALA Committee Member, Susan Hamilton, explains how the idea first came about, and what locals can look forward to seeing at the different events.**

**By Susan Hamilton**

Littlehampton local Wayne Barry approached the Littlehampton Community Association and mentioned that he had a large collection of his own art works that he would like to put on display. The Littlehampton Hall would be perfect venue for his work.

He had in mind SALA, of course.

A SALA committee was formed, which included LCA Chairman Glenn Liebelt, LCA Secretary Lyndall Schliebs, LCA member Wayne Barrie and myself, a LCA committee member.

We took this inspiring idea onboard and decided to open a SALA event to our whole community.

We contacted Littlehampton Primary School, and they were very interested to be involved. The first display will be showcasing the work by the students of the school.. This will be on Saturday 14th, 10am—5pm in the Peace Memorial Hall. Arts teacher and curator Mandy Herbert has put a huge effort into this exhibition which will showcase over 300 students' art work.

The following weekend will see Wayne Barrie's solo display of his paintings: an interesting colourful abstract method, producing a great range of colours and shapes. His attention to the detail of presenting his work will be of interest to other artists. A sculpture will be on the stage describing aspects of his thinking. His method of working will be on display at an artist's demonstration session at 2pm on Saturday 21st.

On August 28th our artists from our community will show you an exciting range of paintings, ceramics and crafts. We have an impressive community of very talented creative people. This exhibition will entertain, surprise and delight.

All three events will be held in the Peace Memorial Hall and entry is free. Morning and afternoon tea will be available each weekend, along with homemade soup and rolls for lunch.

We look forward to welcoming you to our SALA event.

Thanks goes to The Littlehampton Bricks Co. and Mt Barker District Council for their financial support and faith in our project.

Head to [www.salafestival.com](http://www.salafestival.com) for more information regarding local events.

Littlehampton  
— BRICKS AND PAVERS —

Cr Simon Westwood

Cr David Leach

Cr Narelle Hardingham

Cr Harry Seager

Cr Tess Minett

MBDC Mayor Ann Ferguson

# NEW FOOTPATH FOR MOUNT BARKER ACCESS

The Mount Barker District Council has finished construction of the Childs Road Stage 1 Trail.

This project has delivered an off-road, shared use trail linking the existing tunnel under the Freeway down to the intersection of Childs Road/Hallett Road, near Old Princes Highway.

Planning and design investigations are underway on the Stage 2 Trail which will ultimately link the end of the Stage 1 Trail with Anembo Park in the future.

A safer pedestrian refuge crossing will be built across Princes Highway to support the increase in foot traffic.

# KEORIDE ON DEMAND TRANSPORT TO BE EXTENDED

Good news for locals who have been taking advantage of the Keoride On Demand Public Transport, with the service being extended for a third time to June 2022.

The service area of Keoride was expanded earlier this year to include Nairne and Littlehampton.

This has allowed local residents to travel within the operating service areas which may not have otherwise been accessible by alternative public transport options.

The Department for Infrastructure and Transport (DIT) and Keolis Downer, who operates Keoride On Demand, ***“will use the next 12 months to continue to deliver the most optimal service for the community and look at what steps need to be taken to make Keoride a permanent service.”***

Keolis Downer has up to 5 vehicles on the road at any one time, and recorded close to 80,000 passengers carried just within the first 12 months of trial.

To book a trip with Keoride, residents can call 1300 642 604, downloading the Keoride App or through the Keoride website [www.sa.keoride.com.au](http://www.sa.keoride.com.au)

# HAVE YOU REGISTERED YOUR CAT YET?

Cat owners could win a \$70 voucher to spend at RSPCA Petville when they next register their cat through Dogs and Cats Online.

Twenty prizes will be drawn each month until 30 November 2021. In South Australia, you must register your cat in Dogs and Cats Online, the state dog and cat database used by councils, Animal Welfare League, RSPCA and vets to reunite lost pets with owners.

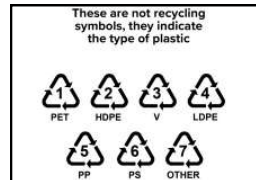

To enter, you just need to register your cat in Dogs and Cats Online by its microchip number by following this link: <https://dogandcatboard.com.au/index.php?p=catprize>

# TO RECYCLE OR NOT TO RECYCLE....

With the recent COVID-19 lockdowns and the cold winter weather, residents are no doubt spending more time inside. If you are currently knee deep in an annual 'clean up and clear out,' these rubbish and recycling tips may just help you out.

The Australasian Recycling Label was launched in 2018 and is a great way to identify what part of the packaging can or cannot be recycled. Keep an eye out for the above symbols on your packaging.

A handy tip to remember is that the symbols to the left indicate the type of plastic used, not whether it is recyclable or not:

Polystyrene can be a tricky one! Unfortunately, polystyrene cannot be put in the recycling bin, and many do not want to see it end up on landfill. But there is an alternative: The Heathfield Resource Recovery Centre now has a dedicated polystyrene recycling service. You can take your clean, white and dry polystyrene packaging to the Centre where it is melted, extruded into blocks and remade into new products.

More information about the Heathfield Resource Recovery Centre can be found here: <https://www.ahc.sa.gov/ahc-news/Pages/Recycle-your-polystyrene-at-the-Heathfield-Resource-Recovery-Centre.aspx>

# A MORNING OF REMEMBRANCE

The Littlehampton community gathered at dawn on ANZAC Day earlier this year to remember the fallen.

Local resident, Wayne Barrie, introduced the service by speaking on the Boer War. Children from the Littlehampton Primary School led the audience in the hymn and national anthem.

Unfortunately, due to COVID-19 restrictions, the Gunfire Breakfast usually held in the Peace Memorial Hall was not able to take place. Instead, locals enjoyed a BBQ with tea and coffee and juice served in Miels Park.

LCA Chairman and Littlehampton ANZAC Day director, Glenn Liebelt, said, "It was good to have the restrictions lifted enough to be able to gather together in person again at Miels Park."

Glenn is optimistic about future ANZAC Day services and the impact of COVID-19. "Hopefully we will see the Gunfire Breakfast back in the Hall again next year."

Left: MBDC North Ward Councillor Simon Westwood, Littlehampton Community Association Chairman Glenn Liebelt and Federal Member for Mayo MP Rebekha Sharkie

# APPROVAL FOR FITNESS STUDIO IN LITTLEHAMPTON

The Mount Barker Council's assessment panel has approved an application for a new fitness studio to operate in Littlehampton.

The site is located at 87 Old Princes Highway, right, within the Klose's Foodland Supermarket, post office, bakery, pharmacy and OTR petrol station complex.

The gym will be a small-scale operation, with the approval permitting up to 2 staff members and 12 clients at the studio at any one time.

The fitness studio will be restricted to operating only within the hours of 5:30am – 7:30pm weekdays, and 6am – 10am on Saturdays.

In addition to this, the application was approved with the condition of "all amplified music shall be limited to a volume to not have an unreasonable impact upon the amenity of the adjacent residential dwellings to the satisfaction of Council."

Above: The site of a new fitness studio in Littlehampton

# RAILWAY STATION SAUSAGE SIZZLE

The Littlehampton Community Association attended the SteamRanger Open Day on 23rd May 2021.

It was a lovely sunny day, and the LCA BBQ committee members worked hard cooking and serving the sausage sizzle.

Funds raised are set to be used on community projects within the town.

If you are interested in helping out at an LCA BBQ event, please contact Lyndall at [lschliebs1@bigpond.com](mailto:lschliebs1@bigpond.com)

# LITTLEHAMPTON COUNTRY FIRE SERVICE UPDATE

After a relatively quiet autumn period for the Brigade, we have continued with our training, recruitment, and induction of more local volunteer Brigade fire fighters. You may have seen us out and about in the township training and responding to emergencies in the community. In recent times we have responded in support of SES and partner agencies to more weather related events such as fallen trees, localised flooding and fallen power lines.

At this time of the year we are also focusing the bulk of our training on urban fire fighting with many of our members having received specialised nationally accredited training in urban fire fighting such as compartment fire behaviour, self-contained breathing apparatus, and flammable liquids and gasses.

I would also like to again thank our wonderful local community who through their generous donations, have contributed to the purchase of new PPE storage racking giving our volunteers some extra space to safely store PPE.

As I write this article, we are again in lockdown due to the COVID 19 global pandemic which means that all our training has moved to an online platform and only essential weekly maintenance checks on the fire appliances and equipment can be performed. Rest assured however, that your local fire brigade stands ready 24/7 to respond to any emergency in the community.

## \*\*\*\*\*RECRUITMENT UPDATE\*\*\*\*\*

We are still looking for community minded people to join our ranks. If you or someone you know has been thinking of becoming a CFS volunteer, please feel free to contact me personally on 0411105433 to make an appointment to come and talk to us on a regular training night (Monday nights except public holidays)

Thanks again to all of you in our wonderful Littlehampton Community for your continued support.

Stay safe

# Local Artist in Profile: MERRILYN STOCK

Merrilyn grew up in Seacombe Heights and moved to the Adelaide Hills about 35 years ago, with most of that time spent living in Littlehampton.

Her education journey began at O'Halloran Hill TAFE. Merrilyn originally thought that she would like to pursue graphics and graphic design, however, eventually chose ceramics as she felt it was more of a challenge for her to work in three dimensions.

***"I use my ceramics as three dimensional canvases"***

Merrilyn still does a lot of drawing, decorating and surface treatments, using her graphical approach to three dimensional objects.

She then went on to complete a Bachelor Degree, majoring in Ceramic Design.

From there, she secured a job working for the Art Gallery of South Australia and was lucky enough to travel to Thailand as part of this position. She was involved in excavating 700 year old artefacts at various archaeological digs. Merrilyn's strong understanding of ceramics and ability to draw was useful on the site, as she had to draw each artefact that was excavated.

Merrilyn went on to conduct similar work at archaeological sites in Cambodia.

She also had the opportunity to work in universities in Turkey and thoroughly enjoyed being immersed in hundreds of years of history and ceramics.

***"I have been lucky enough to be able to travel so much with my job"***

Merrilyn's creative streak has been running in her family for many years. It started with her great grandfather who worked in the movie industry in the mid to late 1800s. He would travel between Australia and New Zealand working in the sound effects department and could play over 150 different instruments, some of which are still in Merrilyn's family today.

Merrilyn's grandfather worked as a printer in a print making business specialising in advertising in the 1940s.

Her father started his career as a stockman, and then moved into carpentry. When he retired, he became involved in leadlighting and painting. He is now 96 years old and still creating.

***"I guess you can say that creativity is definitely in the family."***

Merrilyn lives in Littlehampton with her husband, and her children still live locally.

The family is currently working on a restoration project of the Old General Store in the Main Street. Many locals may know this house as the white building with the 'Burford's Soap' logo on the side, just past the Brickworks as you come into Littlehampton.

Merrilyn has enjoyed approaching this project like an archaeological dig: finding artefacts in the backyard and uncovering pieces of history.

***"We plan to put everything we find back into the building in one way or another so that the history is not lost"***

Merrilyn is now working with TAFE as the Head of Ceramics at Adelaide College of the Arts. She has been working for TAFE for 22 years, and originally ran the TAFE Ceramics Department in Mount Barker. This gave her the opportunity to travel within Australia, including 'flying all over the place, from the NT border all the way down to the South East overseeing the different ceramic departments within the Arts.'

Merrilyn is very community minded; she was part of the Littlehampton Community Association for many years and ran the Littlehampton Markets for 9 years. She got married in the Peace Memorial Hall, and she has spent time on the Hall committee.

She is looking forward to the upcoming SALA in Littlehampton event; 'that bringing together of community is hugely important.'

***"It is really amazing what people are producing in their own backyards."***

Locals can view and purchase Merrilyn's work at the Open Artists SALA event on Saturday 28th August held in the Littlehampton Peace Memorial Hall.

Merrilyn is currently organising an Artists Walk in Littlehampton: a concept that she saw in New Zealand where local artists open their studios up for people to visit. Visitors can walk from studio to studio and see where the work is produced. It is a great opportunity to be able to buy direct from the artists, and not just from a gallery.

The Artists Walk is being held on Saturday 20th and Sunday 21st November 2021.

You can check out more of Merrilyn's work via her Instagram page: <https://www.instagram.com/merrilyn.stock/>

# LITTLEHAMPTON'S CANINE CORNER

By Kerri & Matt, Buddy's Bites

**Woof! Woof! to all our local fur baby families from the Buddy's Bites Team - Kerri, Matt, Mikayla, Bailey, Oakey & our newest family member Buddy.**

Since our last article we have a new four-legged fur baby in our house and store!

Talk about re-education (for the adults), late night toilet trips, keeping things above ground height, out of reach of little paws and jaws!

So! In this edition we thought it fitting to share some simple tips and insights from our experience on introducing a new puppy into your family.

Well behaved dogs do not happen by accident. Time, patience, and love needs to be invested in your four-legged family member. So where to start?

-  Socialisation
-  Toilet Training
-  Feeding & Nutrition
-  Grooming
-  Positive Training
-  Bite-inhibition
-  Crate Training

Puppies undergo developmental changes at rapid rates. Critical socialisation begins around 4 weeks and ends somewhere between 14 & 16 weeks.

Short walks are a great during this period. Always use positive reassurance and reward behaviour with small healthy treats. We are so lucky to have some great walking trails around Littlehampton and the surrounding area.

It is important that you limit your puppy from exposure to dog parks and walking trials with a high volume of dogs until your pup has had its vaccinations. We recommend you discuss with your vet on when it is safe.

Mental exercise and stimulation are the key part of development. Introduce different toys suitable for your four-legged friend. Snuffle mats and LickiMats are both good tools to distract, redirect behaviour and channel anxiety.

Toilet training requires persistence, consistency, positivity, and a plan. Choose the spot: a grassed or lawned area. Remember this spot will become the go to place for your pup. Use cue words i.e. toilet. Using short words and the same words are the best way to train. Use healthy small treats as reassurance to maintain a positive experience for your puppy.

Your pup needs to become accustomed to new sounds around the house and in your yard sooner rather than later. Loud noises like lawn mowers, hair dryers, vacuum cleaners etc. We suggest you give them the opportunity to sniff and experience the sounds with positive reactions.

New experiences like grooming should be introduced from around 8 weeks, do not over bath your baby as it is not good for its skin. Use suitable combs/brushes for your puppy's coat. Ensure you use puppy products that are accredited. We prefer all natural. There are several great grooming salons in the area.

Training should be done in small bursts of 5 to 8 mins. Touch, sit, drop and recall are the basic starters. We highly recommend from our experience you and your puppy attend Puppy School. Mount Barker Veterinary Clinic and Nairne Vet both run classes: a great way to start socialisation outside of the home.

Recommendation is to enrol from around 9 weeks of age, first vaccinations are required. These classes are usually 4 lessons, once a week for 4 weeks.

Our biggest tips of having a new puppy, is it should be fun, and it takes time and dedication.

There is a lot of information available, you can research just about any topic on the internet. Your local pet stores can also recommend and assist.

The Buddy's Bites Team are only too happy to help you with any enquiries on dog & cat products & quality fresh preservative free pet food and healthy Australian treats.

We will do our best to source products for you, just ask us.

Buddy's Bites is located at The Village Shopping Centre - Shop 4/37 Old Princess Highway, Littlehampton (next to Spuds Mobil service station)

Come in and visit us! Dogs and cats welcome instore on the lead.

Oakey & Buddy will catch all his four-legged friends at The Glebe Park or instore soon.

Phone (08) 7282 1944 

[www.buddysbites.com.au](http://www.buddysbites.com.au)

## By North Ward Councillor David Leach

**Miels Park and the Glebe** – Council staff and their external project manager Craig Lovering have been busy planning, costing and requesting tenders for the work on these two community open spaces. The team looking after this nearly \$1 million project have serious form in delivering excellent open spaces – check out Byethorne and Mick Murphy Park in Nairne – great people doing really good work. Final authorisation will be presented to Council soon and then works proper can commence.

**Childs Road Shared Path** – This concrete path from Hallet Rd to the freeway pedestrian/cycle tunnel is being well used by people who are looking for a non-vehicle shortcut to Mount Barker. The path has needed extra spec concrete to allow for heavy vehicles entering businesses. Council engineers have prepared plans to continue this path along Princes Hwy in front of Littlehampton Bricks, over the rail line, across the creek and into Anembo Park. To complete the safety and useability of these paths a safer pedestrian refuge crossing will be built across Princes Hwy and the intersection at Littlehampton Bricks will be realigned.

**Elector Representation Review** – Council is required to consult with electors to review the need to change the ward boundaries due to population shifts ensuring, as much as possible, that each elector's vote is equal. The consultation is now complete and Council will decide on the new boundaries. A smaller number of respondents were in favour of no wards, however the low number of responses indicate that people are comfortable with the current ward system.

**Baker Street Stormwater** – work is planned to upgrade the drainage pipes later this calendar year; plans are completed and funding allocated.

**Anembo Park Playground** – the refurbished and updated playground is an important part of Council encouraging a healthy outdoor place for the children to take their responsible adults to. Littlehampton has really good open spaces, it keeps us healthy and adds value to our homes and businesses. As a Councillor I commend staff for the work they do in this place.

**2021/2022 Rates and Charges** – Rates have been increased by 2%, CWMS 4% and the day to day charges generally matching CPI of 1%. I encourage people to take note of the rate capping rebate available for State Concession Card holders if their personal rate increase is above 4% and all other residential/rural ratepayers if your personal rate increase exceeds 12.5%.

**Elections** – electoral officials will be flat out next year conducting local, State and federal elections.

If you have changed your address, now would be a good time to contact the Australian Electoral Commission to make sure you are correctly enrolled. If you have thought about contributing to your community in a leadership role, 2022 is the year to have a go.

**Totness Commercial and Light Industry Zone** – expect to see more businesses setting up in Totness soon. In return for the loss of seriously valuable farming land the district gets better access to goods & services and employment opportunities close to home.

The tranquil sleepy hamlets of a generation ago are lamented by us all but progress is inevitable.

**SALA comes to Littlehampton** – Well done to all the Littlehampton Community Association members who are curating and presenting SALA 2021 in the Littlehampton Peace Memorial Institute.

Littlehampton and Blakiston have really talented artists living amongst us – come and see a great exhibition in one of the district's best halls.

**Councillors** – My fellow North Ward Councillors, Harry Seager, Narelle Hardingham and Simon Westwood welcome your views and advice.

We also encourage you to remember the good rains this winter will provide fuel for bushfires this coming summer. Please, start your bushfire planning now. Council has doubled their free green waste drop off days by adding a Friday session – make use of it.

David Leach 0429 515 969

# Rotary Club of Blakiston Report

## By John Rowley, President

The past three months have seen many changes at the Rotary Club of Blakiston.

We have gained two new members since the last edition who have brought a lot of experience to our Club; Rot. Helen Marshal who is the Treasurer of the Mt. Barker Show Society and in charge of the Rotary Youth program, and Rot. Russell Camens who has been pro-active in the Cudlee Creek Bushfire fencing program in conjunction with BlazeAid.

We have had 3 working bees which has changed the nature of the garden for those who have not seen what has been achieved by the Rotary Club of Blakiston, over the past three months. Taking time to browse the garden is a very rewarding experience for the Club and the Glebe.

A special thanks to the David Ruston Foundation for the grant money to place a pergola on the walkway to the rose garden. A fence has now been completed from the end of the Glebe to the wall of the school. With the grant a replica seat will be established in the garden when it fines up.

The Club needs gum branches to put around the garden beds. Our Club would be pleased if anyone has branches laying around. We have a home for them.

Volunteers are always welcome on a Saturday and Rotarian Jenny will provide a lovely morning tea.

May was history week for South Australia. The school was open for three weekends on a Sunday. It was well attended with over a 100 passing through school doors. It was very pleasing to hear old scholars speak about their time at the school and their parents who were old scholars. Rot. Jenny and Rot. Michael M. explained the history and why the school was present.

Year 3 classes from the Littlehampton School spent time hearing from Rot. Jenny and Julie Moran about how the school was going to be demolished and how the Rotary Club of Blakiston saved a piece of history

for future generations.

3 members of the Club spent two Sundays helping to plant trees on the Glebe for beautifying the area. The Glebe between now and Christmas will be under renovation so at this stage we are forced to cancel our bonfire which raises funds for Rotary mental health.

The Spring Fair will now be held in May of next year due to renovations of the Glebe. We will require help for the Fair and for the Mental Health bonfire if we can find a place to hold it.

In September we will be holding a Quiz Night Fundraiser with proceeds to go the district. This year instead of a float for the Mt. Barker Christmas Pageant we will run a prize for the best light show in Littlehampton and Nairne.

The highlight of fundraising this last quarter was a car rally from Auchedorrach that finished up at Mypolonga for lunch at Aussie Fruits. It was a worthwhile trip to Aussie Fruits who have yummy chocolate dipped apricots. The money raised went to Rotary Mental Health.

It has been a very busy quarter for the Club and unfortunately now with lockdown we don't know what the future will hold for charity organisations.

# SHADY GROVE UNITARIAN CHURCH

*Shady Grove Road, Littlehampton*

13

Winter rains have produced welcome new growth in the bushland at Shady Grove, following a rather severe burn off last year: and the bush care people have been busy with weeding.

Winter gatherings have been in the hostel building. We are mindful of Covid regulations, so our services have adjusted around the changing scene.

We have been fortunate in having Reverend Jo Lane taking most of our services, and she will conduct the Vespers services on Sunday August 1st and also Sunday September 5th, both at 4 p.m. at Shady Grove.

The children have already enjoyed a camp/weekend at Shady Grove and another one follows in the September holidays. Visitors are always welcome to our first Sunday of the month services.

Pat Simpson

Contact person for Shady Grove is: Jill Dunn Ph: 8536 0025

# ST JAMES ANGLICAN CHURCH

*235 Old Princes Highway, Blakiston*

Since our last newsletter St. James has joined with the Rotary Club of Blakiston for our first opening during history month.

We had the church and the school open for 3 Sundays in May from 1pm to 4pm with a talk about the history of the church at 1.30pm on each of those days.

Both organisations were happy with the result and from the comments received it seemed to be well accepted and several people referred it to others which was pleasing. Thanks are due to all those who helped to make this so successful.

Quite a lot of people came to seek out their relatives who were maybe buried there, or any other information that was available about their families as many people are

pursuing their family history at present. One lady was expecting to find the grave of her several times great grandfather and was surprised to discover that he had 2 sons (previously unknown) one of whom was the third baptism to take place in this church in 1847.

Since history month there have been many requests for information. This is ongoing and we have now had all our baptisms, marriages and burials data copied by the Genealogy Society and this is available online through that organisation. However it is still good to meet with these families and hear of the work opportunities and living conditions of our early pioneers. There were many hardships due to distance etc. but also many simple pleasures from living in this wonderful area.

One fact that was difficult to absorb was that the Davison family took fifteen and half hours on their initial journey to Blakiston by bullock cart when today we are in the city in half an hour. It is impossible to imagine the faith of these folk in seeking a better life for themselves and their offspring. Roads and vehicles have changed our lives so much but somehow we often overlook the struggles of our forebears.

Following history month I gave a talk to school children at Littlehampton Primary school about the history of the area. The children were delightful and full of interesting questions and I have no doubt that the coming generations will learn and create history of their own.

In June we had a pleasant Sunday afternoon to honour the Masters family. It was also the occasion of Thora Edson's (nee Masters) 96th birthday, and to give thanks for the life of faith lived by that family.

We continue to worship on the second and fourth Sundays each month at 8.30am followed by a cuppa and chat in the Hall. Our Fellowship continues to grow and last month we had a lunch at the Great Eastern Hotel where 39 parishioners attended.

# THE LITTLEHAMPTON GREENING PROJECT

## A new look for the Glebe Land, Miels Park & Main Street

From Page 1

### What's been happening?

The upgrade of Miels Park, the Glebe Land and the Main Street were identified as key priorities in the **Littlehampton and Blakiston Neighbourhood Plan 2018**. Last year, MBDC was successful for a **Places For People \$400k** grant funding specifically for improvements on the Glebe and Miels Park. Council's contribution to the project is \$400k derived from the **net proceeds of the sale of 2A Fulford Terrace** together with an additional \$40k contribution from Council. **The Main Street Upgrade** received a \$150k grant through the Local Roads and Community Infrastructure program. An additional \$450k is provisioned for in Council's Long Term Financial Plan and proposed for inclusion in the 2021/22 budget.

Draft concept plans for the Glebe, Miels Park and the Main Street were put out for a 5 week community consultation period from Sept-Oct 2020.

- **Approx. 140 people** attended 2 consultation Open Days at the Glebe & Miels Park
- **468 visits** to the consultation website
- **242 downloads** of the draft plan from the website
- **117 people** completed the online survey
- **17 written and email responses** were received

### What did the community say?

#### KEY COMMUNITY

#### PRIORITIES identified during this consultation period included:

**Miels Park:** Retaining play equipment/elements; Increasing usable area behind the hall; extension of play areas; relocation of onsite parking/improved interaction with Main Street

**Glebe Land:** New public toilet; play equipment/elements; establishing a walking loop; off-leash dog facilities

**Main Street:** Maintain free traffic flow; street trees and landscaping; defined pedestrian environment

### How is the money being spent?

Following this community consultation period and cost estimates, the final concept plans for the Glebe, Miels Park and Main Street were presented to the 7 December 2020 council meeting, and were endorsed.

The anticipated cost split between the three projects:

- ⇒ **Littlehampton Greening** (Miels Park: \$300k and Glebe Land: \$500k) = \$800k (\$400k of grant contribution)
- ⇒ **Main Street** = \$600k (\$150k of grant contribution)

### When will this be completed?

Work is expected to be completed by December 2021.

### Where can we find out more?

The final concept plans can be found in the 7 December 2020 Council Meeting Agenda here <https://www.mountbarker.sa.gov.au/> Keep an eye out on the Littlehampton Community Association and Mount Barker District Council Facebook pages for the latest news and updates.

**Some items as denoted in the council report attachment may be deleted from scope or delivered as a stage 2 pending final costing.**

# MIELS PARK:

## KEY FEATURES:

- New civic frontage
- Retain war memorial in current position
- Paving: extend paving to create a north south pedestrian link between the hall and park
- New medium sized weather proof shelter and relocate existing BBQ to new shelter
- Open up and relevel grassed areas
- New off street car park on existing defunct courts
- On street car parks to Old Princes Highway, and one 20m long bay to be a loading zone only, and tourism bus drop off/pick up zone
- Lower tennis court access
- Existing playground to remain, and a hobbit sized cubby house to be added
- Existing toilets to remain
- Vibrant mural along the retaining wall to the supermarket

# GLEBE LAND:

## KEY FEATURES:

- New 3-4m wide rubble pedestrian path creating a loop path
- Extend 50km/hr township zone speed limit to Fulford Terrace
- Tree planting, including buffer planting of large eucalyptus to the perimeter of the site.
- Corral gate at entrance
- New dog amenity, including 2x bin at Old Princes Highway and Fulford Terrace gates and doggy bag dispensers at each bin.
- 2 unisex cubicle toilet block (1 accessible)
- 3800m<sup>2</sup> irrigated turf for kick around space
- Nature play elements
- Sand and gravel beach to dam, and planting and rock work to edge the dam
- St James School: a timber rose arch to compliment the heritage style of the building, extend garden beds and establish car park on verge along Fulford Terrace

## HALL FOR HIRE - *REASONABLE RATES*

*The best little hall in the Hills is right in your own back yard!*

**Yoga Classes** - every Tuesday morning in school terms 9.30am —10.30am. Contact Sean on 8391 2747

**Accomplished Dance** – Zumba and Ballroom classes are held on Monday evenings from 6.00pm - 8.30pm. Contact Donna on 0402 081 377.

**One50 Dance** - dance classes for young people. Every Thursday afternoon/evening in school terms 3.30pm—7pm. Contact Sophia on 0499 150 150.

**Mt Barker Christadelphians** — public Sunday activities generally commence at 6:00pm and Wednesday evening at 7:30pm . Contact James 0493 057 970 for further information re any activities.

**Inhauss Art Classes** - classes on Wednesday mornings 10am -12pm. Next class starts on 28/7 runs until 22/9 Contact Debby 0400 163 624

**Hall Committee Meetings are held on the 4<sup>th</sup> Monday of the month at 7pm in the Old Library**

If you are interested in attending a meeting, joining the Littlehampton Peace Memorial Hall Association or becoming a member of our committee please contact our President James Eakins on 0493 057 970 or [president@littlehamptonhall.org.au](mailto:president@littlehamptonhall.org.au)

***It is with great pleasure that the Littlehampton Peace Memorial Hall will be holding the Littlehampton SALA events for the Littlehampton Community Association and appreciates the hard work and efforts from the LCA to prepare and host the events.***

*Head to page 4 & 5 for dates & information on the SALA Festival in Littlehampton.*

**HALL MEMORABILIA**— If anyone in the community has memorabilia relating to the Hall that they would like to donate to us to go into a display cabinet in the Hall, please contact Glenn on 0412 324 022.

The Hahndorf Football Club continues our longstanding relationship with Littlehampton through the Hahndorf-Littlehampton Junior Football Club.

The Hahndorf-Littlehampton Junior Football Club began in 1995. Being in the Adelaide Hills water catchment, Hahndorf's town size and hence population is restricted to current boundaries. As a result, during the mid-1990s the Hahndorf Football Club found itself struggling to field junior teams. As the Littlehampton Football Club had ceased some 30 years earlier, the then Hahndorf Football Club Junior Director, Ken Swain, decided to approach the principal of the Littlehampton Primary School, asking if he could bring over 10 junior footballs for the school and run some training clinics. This association led to many young boys from Littlehampton coming to play football for Hahndorf. The junior committee recognised the support from these Littlehampton families and included the towns name with the junior sides of the club, to be called the Hahndorf-Littlehampton Junior Football Club, which remains today as a formal business entity.

The club has been extremely successful in recent years, winning 22 premierships across all grades during the last 10 years. In 2020 Hahndorf-Littlehampton U12s celebrated a premiership, and the A Grade achieved three premierships in a row, along with the B Grade going back to back. Who knows how much Covid will impact the remainder of the 2021 season, but we have been pleased to field 16 teams this season across all ages, from U8s to seniors, and to provide for both male and female players. We have been working hard to try and establish an U14 girls team to complement our senior women and U17 girls teams and are seeking to upgrade our changeroom facilities to accommodate female and junior participation.

The modified rules (U8-U11) season and Auskick have already come to an end this year, but we encourage those with young children seeking to give AFL a try to contact [modifieds@hahndorffc.com.au](mailto:modifieds@hahndorffc.com.au) at any time.

For those looking for a good day of hills football there are two more home games at German Arms Oval, Hahndorf this season:

31<sup>st</sup> July – Hahndorf versus Echunga

14<sup>th</sup> August – Hahndorf versus Bridgewater/Callington

We thank the families of Littlehampton for their ongoing support as players, volunteers, sponsors and members, and welcome others from Littlehampton to participate at the club. To find out more visit [www.hahndorffc.com.au](http://www.hahndorffc.com.au) or join us on Facebook and Instagram socials. General inquiries: [info@hahndorffc.com.au](mailto:info@hahndorffc.com.au)

**Out of School Care Upgrade:** We are very excited to announce that the renovation build for our OSHC has commenced during the last school holidays. We will continue to meet regularly with the builders and will share progress with our families as it happens. We are hoping for a very dry winter so the building can progress and OSHC can move back in before Term 4 begins.

**Cross Country State Championships:** Seventeen students from Littlehampton Primary School were selected to represent the Barker district at the State Cross Country Championship on Thursday the 10th of June. This was from the school Cross Country trial at Stirling East Primary School. Unfortunately the original day was cancelled due to severe weather. It was a cold and windy day, however there was no rain. All of our runners showed grit to run the challenging course in the cold and windy conditions at the Oakbank Race Course.

## **Don't Miss Out!**

## Littlehampton Primary School Report:

**Speck of Gold:** A definite 'speck of gold' for one of our Reception classes this year, is working with their 'Buddy Class'. Each week, we meet with Mrs Eldridge's Year 5 class for cross-age shared learning and mentoring. Shared activities include learning school routines, arts and crafts, learning about special events, reading support, computing, fitness/gross motor-skills development, social skills and well-being lessons- just to name a few!

It is very rewarding to see the younger children's faces light up when they see their older buddies in the yard during playtimes. Similarly, it is lovely to see the Year 5's take on leadership roles while supporting the receptions. Thank you Year 5s- we are very grateful!

**How things have changed:** Our Year 3 students for their history Inquiry looked at how places have changed over time....Bob Innes, Glenn Liebelt, Heather Little, Adrian Raison, Frank Jacob, Helen Pearce, Don Byrne and Dean Bolto visited the Year 3 classes to share their memories of Littlehampton and how it has changed over time.

Students prepared questions and interviewed the local legends to discover many interesting facts and hear stories of memorable moments from the past. The students thoroughly enjoyed the experience. Here are some of the highlights...

*I loved the story about how Littlehampton bricks were made.*

*I loved that your house was the first one made of Littlehampton Bricks.*

*I liked hearing about how school has changed and the differences between then and now.*

**SALA Art Exhibition:** We are excited to announce that Littlehampton Primary School will be celebrating the 2021 SALA (South Australian Living Artists) Festival by holding our very own public art exhibition on the Saturday 14th August at the Littlehampton Peace Memorial Hall from 10am – 5pm. We are grateful for the support of the Littlehampton Community Association and the use of the hall facilities to showcase our students' art.

Titled 'Touched by Nature,' this exhibition will incorporate a variety of art works from students across the year levels (mostly Years 2-7 with some younger year levels involved) and explore the themes of place and the wonder of nature. This is a great opportunity for the students to show the learning and skills they have developed through their Visual Art experiences. The Littlehampton Community Association have kindly invited us to launch the SALA exhibition on the opening day.

**Lap-A-Thon 2021:** What a wonderful day of walking, jogging, running and skipping laps of the school. Initially, scheduled for Friday 18th of June, the Hills winter weather thwarted our hopeful intentions. The students were resilient with the change, knowing that the event would still roll around on Tuesday 22nd June and what a day it was! With energy ready to burst, the students headed out on their course at their designated time, eager to start and give their best, knowing they were performing for personal pride, to fundraise as much as they could for the Kitchen Garden program or to just have some good old fun in the great outdoors.

We witnessed so many happy smiles, excited laughing and talking, competitive spirit and some energising and encouraging music along the way. An amazing thank you to all of the students, families, staff and community of Littlehampton Primary. The support you provided for this major fundraising event was overwhelming. This is genuinely appreciated by our students to provide them with the resources and equipment needed to run this popular program.

# Tennis Report

*What an exciting time for tennis in Australia with Ash Barty winning the 2021 Wimbledon crown, inspiring adults and kids to pick up a tennis racquet again or for the first time.*

**AGM and New Committee:** The Littlehampton Tennis Club held its AGM in June at which a new committee was formed to continue the excellent work of the previous committee in growing the club's success in the region into the future. Thank you to all previous committee members for your time and efforts.

**Exciting New – Upcoming Court Resurfacing:** The already fantastic tennis facilities at Anembo Park will be further improved in the coming summer season with the re surfacing of all 12 courts by Prestige Tennis Courts. This has been made possible through the financial support of Mount Barker Council and Office for Recreation, Sport & Racing (ORSR) together with the support of all persons who have played at Littlehampton over the past years and of course our fantastic sponsors listed below.

We encourage everyone to support the sponsors who support our club. This ensures our players and the community within the region have access to the best possible facilities to play tennis whether for competition or fun.

Gold Sponsors	Silver Sponsors	Bronze Sponsors
Klose Supermarkets	Grandview Accommodation	Mt Barker Battery World
Australian Paving Centre	Great Eastern Hotel	
Mt Barker Steel	Pfizer Furniture	
C&N Roberts	Adelaide Hills Storage	
	Stihl Shop Mt Barker	
	Cambridge Adelaide Hills Gas	
	Littlehampton Sawmill	

**Night Tennis:** Our 10 week night tennis season run during school terms continue to be a popular fun competition held every Tuesday night with our 2nd season for 2021 finishing on 29 July with 'Hi' with Dan Bartlett, Josh Webb, Andrew May, Ron Berry and Charli May becoming the Division 1 champions and 'What's News' with Emma Sanderson, Glenn Mears, Paul Joyce and Bruce Dawson becoming the Division 2 champions in a strong 12 team competition. Congratulations! The next season of night tennis will kick off on Tuesday 20th July and to align with the Tennis Grand Slam time table will be known as the Wimbledon Season with 8 teams battling for the championship which promises to be another fun season played in the crisp evening air at Anembo Park.

**Want to Play tennis - Registration for Juniors and Senior Summer Season:** In the upcoming 2021/22 season, Littlehampton Tennis Club will be fielding teams in Traditional Mens and Ladies Teams and Mixed Doubles competition on Saturday afternoons. In the Saturday morning junior competition there will be separate girls and boys yellow ball and mixed green and orange ball divisions. These junior divisions use modified rules and lower compression balls. If interested in you or your kids playing please contact for further information or to register:

# Coppin's Bush

This Littlehampton site is an extremely valuable patch of SA blue gum grassy woodland.

Coppin's Bush is home to diverse native plants and animals. SA blue gum (*Eucalyptus leucoxylon* ssp *leucoxylon*) grows here beside at least 116 other important native species, including many unique lilies and other wildflowers. This diverse woodland provides vital habitat for birds, reptiles and insects.

## Caring for Coppin's Bush

Volunteers from the Bush For Life program dedicate their time to care for Coppin's Bush, restoring the native woodland, managing ongoing impacts and removing invasive weeds.

The site contains similar vegetation to adjacent SA Water land and nearby Turners Bush. Together, these sites provide a habitat network for local wildlife.

## Protecting our native landscapes

The effects of land clearing in South Australia are severe. In some parts of our fragmented environment only 5% of the original vegetation remains. The consequences of extensive clearing have a dramatic impact on wildlife; 26 plant, 23 mammal and two bird species are now extinct in South Australia alone.

## How can you help?

- Attend a Bush For Life workshop to gain knowledge and learn practical ways to care for local bushland.
- Become a volunteer grower and grow native seedlings to help restore the landscape.
- Enjoy spending time in nature with friends and family while valuing the bushland. Remember: take photos, not plants; use the designated walking trails; preserve biosecurity by reporting pests, diseases, weeds or damage; and take rubbish with you.
- Grow native plants in your garden to help create wildlife corridors so wildlife can move between bushland patches more safely.
- Be mindful of the impact human actions have on nature – reduce, reuse and recycle.

The **Littlehampton Community Association** (LCA) is a group of individuals with a common goal: to support, promote and run community based events such as Carols on the Glebe and the Anzac Day Dawn Service and to preserve our town heritage and environment. Funds raised directly support LCA community minded projects such as this Community Newsletter, and recently, the Littlehampton Entrance Statement.

We are the voice for the common good of the Littlehampton people and endeavor to focus our efforts on real change to protect and enhance the quality of life in our wonderful town.

***If you wish to share your community concerns or join our team of dedicated volunteers, please contact our secretary Lyndall by email on [lschliebs1@bigpond.com](mailto:lschliebs1@bigpond.com)***

**VOLUNTEERS WANTED:**

The LCA is always looking for helping hands for various events throughout the year. From putting up marquees and cooking BBQs, to distributing posters and helping with this Newsletter, if you can lend a hand we'd love to hear from you!
